Deep Storage Trays

These deep storage trays are designed to neatly organize all your letter-sized handouts, booklets and papers, yet deep enough to hold a variety of small items. The bright colors are ideal for STEM or STEAM organization. The easy-to-grip comfort edges are perfectly sized for big and small hands. Made of nonporous plastic, these trays are dishwasher safe and drop resistant.

The translucent lids sold separately make these trays stackable and protect their contents.

The Assorted 5-Pack includes one tray of each of the following colors: Blue, Green, Purple, Yellow, and Red.

Tote Rail without Tote

Features 2" round,
17-gauge steel Apollo® legs

Classroom Select® Activity Table with Apollo® Legs

Combining contemporary looks, functionality, and flexibility creates an ideal learning environment for student collaboration and interaction. Featuring the Apollo® leg, designed with 2" round, 17-gauge steel, available in 11" to 17", 15" to 25", and 22" to 30" adjustable height ranges and a variety of colors. Table legs come standard with nylon glides. Table tops are constructed from a 1-1/8" particleboard core with a high pressure laminate surface. Tables 60" or longer have a 20-gauge steel stretcher bar underneath the top for added structural strength to prevent sagging. A quick-set leg system offers easy installation and assembly. Available with an optional black metal book box, approximately 15" W x 11" D x 4-1/2" H, sold separately. Also add the Classroom Select® Technology Basket for a simple storage solution for up to 14" laptops or tablets. Easy to install tote rail system available for your storage needs. Locking caster options available.

Optional Technology Basket

Classroom Select® Activity Table with Apollo® Legs

Combining contemporary looks, functionality, and flexibility creates an ideal learning environment for student collaboration and interaction. Featuring the Apollo® leg, designed with 2" round, 17-gauge steel, available in 11" to 17", 15" to 25", and 22" to 30" adjustable height ranges and a variety of colors. Table legs come standard with nylon glides. Table tops are constructed from a 1-1/8" particleboard core with a high pressure laminate surface. Tables 60" or longer have a 20-gauge steel stretcher bar underneath the top for added structural strength to prevent sagging. A quick-set leg system offers easy installation and assembly. Available with an optional black metal book box, approximately 15" W x 11" D x 4-1/2" H, sold separately. Also add the Classroom Select® Technology Basket for a simple storage solution for up to 14" laptops or tablets. Easy to install tote rail system available for your storage needs. Locking caster options available. **Quickship available for indicated shapes and sizes in laminate colors of Bannister Oak, Gray Nebula, Fusion Maple, Nepal Teak, Royal Blue, or Markerboard with Black or Titanium T-Mold edge, or Black LockEdge® in your choice of any leg height and color.**

Abilitations® Deep Pressure Sensory Vests™

The two-piece design of our Deep Pressure Vests™ can help increase body awareness, attention, and focus while reducing the likelihood of accidental removal by the wearer. Hook-and-loop closures on the shoulders and sides provide a wide range of adjustability, and the side closures can be adjusted in two sections to fit a variety of body shapes. Made from 2mm perforated neoprene. Durable and machine washable. Measure around the chest for sizing purposes.

Abilitations® Deep Pressure Sensory Tops™

The Deep Pressure Sensory Tops™ are designed to provide deep, even pressure to a child's torso to improve body awareness, calm and improve attention and focus, and decrease sensory-seeking behaviors. It features shoulder, side, and front hook-and-loop closures for a wide range of adjustability. The front closure is suitable for children who wish to remove or adjust the vest themselves or for whom quick removal of the vest is more important. Made with 2mm perforated neoprene for durability and comfort. Measure around the chest for sizing purposes.

**Maped®
Spring Assist (Koopy) Scissors**
Therapists Favorite!

A great tool for improving cognitive and fine-motor skills of special-needs children, as well as for teaching any child to cut. The scissors open automatically with activation of the spring, and the finger and thumb loops are fitted to allow multiple finger placement during cutting. Scissors "grow" with the child as the self-opening feature can be disengaged, allowing the scissors to function as a regular scissors. Measure 5 inches with a blunt tip. Assorted Colors.

Jonti-Craft® Clean Hands Helper Portable Sinks

Set up a portable hand washing station without plumbing! Encourage hand washing habits and help keep everyone healthy while meeting licensing requirements. Water is heated by the tankless, on-demand water heater. The water pump has a flow rate of up to half a gallon per minute. The tank for the non-potable clean water holds five gallons while the waste water tank holds six gallons. There is a catch tray under the tanks. Mistake-proof connectors means the clean and waste water tanks cannot be inadvertently switched. Plastic and stainless steel sinks are available, and are approximately 5" deep. Power switch inside the cabinet and openings for cord management.

Grades PreK–K Hands-On Learning

Integrate Science, Language, Literature and Math into your preschool curriculum.

Introduce a fun theme to your pre-kindergarten classroom with Discovery Kits, published by Delta Education.

Choose from six kits that are perfect for both learning centers and large groups. Every activity features vocabulary ideas that build science literacy, questions to ask to stimulate inquiry, and the science process skills being applied.

The **Discovery Guide** provides teacher support—including science background, a parent letter, trade book suggestions, and activities for science, language, literature, and math.

Each Discovery Kit includes a 32-page Discovery Guide and Theme Materials

Liquid Washable Watercolors

Dark yet traditional hues are intermixable for endless shading options. Thicker viscosity makes for controlled dispensing, and increased surface tension results in less bleeding of colors. Will spread/wick when dripped on paper undiluted and spreads easily when brushed. Use at full strength or dilute with water for more muted color. Washable formula rinses out of most fabrics with soap and water. Non-toxic.

8 Color Set contains one 8 oz. bottle each of Blue-Green, Red-Violet, Blue-Violet, Fuchsia, Coral, Pink, Yellow-Orange and Yellow-Green.

Over-The-Door Drying Rack

We realize that in many classrooms extra space is hard to come by so we've designed a drying rack that doesn't take up any table or floor space. The durable, heavy-gauge rack has twenty 12" x 18" shelves supported by a bottom ledge and rubber bumpers on both front corners. Rubber-backed protective shields keep the door from getting marred. Two support bars hold the racks up and out of the way while filling, and the racks tilt slightly back to keep artwork from falling out. When not in use, the shelves can be tilted up and secured vertically, leaving ample room for passage in and out of the doorway. The bottom rack can be set as low as 34" from the floor or as high as 56" from the floor with 5 additional settings in between.
