X-ACTO

X-ACTO® TeacherPro® Electric Pencil Sharpener

The TeacherPro sharpener boasts SmartStop which disengages the motor and illuminates a blue LED light when the pencil is precisely sharpened while the SafeStart feature prevents the cutters from functioning while the shavings reservoir is removed. Auto-Adjust dial works with all pencils. Nonskid feet offer increased stability and an auto-reset switch extends motor life by preventing overheating. Includes 10-Year Warranty.

Item#	Product Dimensions	Color	Quantity	List Price
9-2039320-709	5-1/2 L x 9 W x 9 H in	Black	Each	\$86.69

X-ACTO® SchoolPro® Electric Pencil Sharpener

X-ACTO SchoolPro Electric Pencil Sharpener features a six-size selector dial that fits a variety of both standard and jumbo-sized pencils. Quiet electric motor and heavy-duty construction make it ideal for years of classroom use and the extra-large, see-through shaving reservoir allows for easier, less-frequent emptying. Safe Start feature prohibits operation when the reservoir is removed, and auto-reset prevents damage due to overheating. Includes 10-Year Warranty.

X-ACTO® Powerhouse® **Electric Pencil Sharpener**

The heavy-duty, high-performance motor of the X-ACTO Powerhouse Electric Pencil Sharpener

is suited for regular wooden pencils as well as hard to sharpen composite and recycled pencils. Standard features include Pencil-Saver that disengages the motor once the pencil is precisely sharpened and an auto reset shutoff switch that prevents overheating. The SafeStart feature prohibits operation while the shavings reservoir is removed. Suction cup feet provide additional stability while quiet operation reduces workplace distraction. Comes with 2-Year Warranty.

Uni® One Gel Pen

Revolutionary gel ink doesn't absorb into the paper for writing and drawing that is darker, brighter and ultra-vivid. Quick drying ink resists smudging, smearing and bleeding. Sleek white barrel with integrated anti-slip grip. Functional wire clip with color indicator opens wide. Retractable 0.7mm medium gel pens offer a balance between detail and boldness, suitable for any writing or creative need. Please see website for colors included in the assortment sets.

Max Professional **Electric Stapler**

The EH-110F is an electronic stapler for up to 100 sheets with Flat Clinch Mechanism. Flat Clinch Mechanism enables to bend the staple ends flat without deforming the clinched staple and to reduce thickness. It is possible to select between "Auto-stapling" and "Manual-stapling"

using the selector switch. Automatically cuts the staple legs

depending on the number of pages for a beautiful stapling finish. Stapling depth has an adjustable range of approx. 3(1/8") to 23mm(7/8"). Wide paper table prevents papers from being dropped or bent. Guide lines help you staple at suitable positions and equal intervals. LED indication lamp allows you to easily know when to replace/clear or feed staples. Comes with one free staple refill (4,000 staples). 1-Year Limited Warranty.

Max Electric Stapler

Electronic stapler lets you staple 2 to 70 sheets at the speed of 2 staples per second without changing the staple. It generates professional-quality stapling with the Flat Clinch Mechanism so staple close flat and papers stack neatly and evenly. Flat Clinch bends the staple ends flat without deforming the clinched staple

Quiet motor-driven mechanism means you avoid disrupting work while you staple. Designed for heavy-duty commercial and office use, stapler gives you the option of auto or manual stapling for perfect positioning of the staple every time. Auto throat depth ranges from $^{1}\!/_{4}$ to $^{3}\!/_{4}$ inches. Manual throat depth is $^{1}\!/_{8}$ to $^{3}\!/_{4}$ inches. Heavy-duty stapler includes easy snap-in cartridge for its maximum load of 5,000 staples so you can staple 5,000 times continuously. It uses the Max 70FE staples that have a $^{1}\!/_{2}$ inch crown and $^{5}\!/_{16}$ inch leg length.

Carl® Extra Heavy-Duty **Two-Hole Punch**

Ideal for every law and medical office. Extra heavy-duty punch drills through a 100 sheets of standard 20 lb. bond paper with patented Hollow-Core technology and solid Steel punch heads to drill through more sheets with less effort. Punch heads are preset to punch 1/4" diameter holes for standard two-ring journals and ledgers. Dual selfcentering guides deliver perfect punching every time. Hole punch also offers a large-capacity waste tray, nonskid base and solid metal construction. Limited Lifetime Warranty (excluding punch

Swingline® SmartTouch Two-Hole Punch

Reduced effort operation makes hole punching 50% easier. Plus, the comfort grip handle locks down for compact storage. A useful hole pattern in the punch base keeps the chip tray always viewable. When full, paper chips can be quickly removed through a back door opening or fully cleared by removing the bottom of the punch. Aligning sheets in the two-hole punch is also simplified thanks to the included extendable paper guide and the built-in ruler and edge guide. Durable metal construction. Limited

Top-quality nickel plated punch with pressed steel knurled handles. Includes clipping receptacle. Ideal for punching lunch tickets and loose-leaf sheets. 1/4" round die. Satisfaction guaranteed.

Duck Tape® Clean Release Painters Tape

Achieve sharp, clean paint lines and cut down your touch-up time on your next project with Duck® Clean Release® Multiple Surfaces Painter's Tape. Its strong adhesion makes it ideal for hard, durable surfaces like glass, wood and tile for clean lines. Plus, it protects against paint drips so your paint job stays clean and you stay stress-free. No matter what the project, this painter's tape allows contractors and home DIYers alike to achieve sharp, clean paint lines even in direct sunlight. Medium Adhesion. UV-Resistant for safe use on indoor/outdoor projects. 14-Day clean removal. Crepe paper backing to prevent paint bleed.

FrogTape® **Multi-Surface Painter's Tape**

Get crisp, clean lines on your next painting project with FrogTape® Multi-Surface Painter's Tape. How does it work? It's made with exclusive PaintBlock® polymer that reacts with the

Technology, a super-absorbent water in latex paint and instantly

gels to form a micro-barrier that seals the edges of the tape to prevent paint bleed. The result is a crisp, professional paint line. Designed to work on a variety of surfaces, this premium grade masking tape delivers a performance you can be proud of.

E6000® and Amazing Goop® **Adhesives**

E6000 is one versatile adhesive for strong, flexible bonding of virtually all types of porous and non-porous surfaces: glass, wood, metal, rubber, plastic and ceramics. Unique formula allows E6000 to be applied to both oil and

water-based paints. E6000 Plus offers virtually the same performance characteristics you love about E6000 but without the odor! It's formulated using a premium polymer technology and can be used on most any substrate and in just about any application. Amazing GOOP is one of the strongest, most flexible all-purpose adhesives ever created! It's designed to adhere to virtually any surface, so you can fix what other glues simply can't. AWARNING: This product can expose you to chemicals including Perchloroethylene, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

VELCRO® Brand Hook and **Loop Fastener Rolls**

VELCRO® Brand Sticky Back Tape is an all purpose fastener. It holds everything, it's fast, easy to use and strong. VELCRO® Brand woven nylon hook and loop fasteners consists of two mating tapes. The hook tape is aligned with minute, flexible hooks. The loop tape is comprised of hundreds of small, soft loops. When the two tapes are pressed together, the hooks engage the loops, forming an adjustable and highly secure closure, which is completely jam proof. To reopen, the closure is simply pulled apart.

Ceiling Hanglers™ Grid Ceiling Hanging Products

The easiest way to hang signs, decorations, artwork, posters, name cards and more from your grid ceiling. Use the put-up tool with your threaded broom handle or extension pole to eliminate standing on ladders, desks chairs or tables or attach the hangers by hand. Tool removes hangers for reuse as easily as it installs them. The clothespin eliminates tying strings to signs and height adjustments are easy. Designed especially for suspended grid ceilings-won't damage tiles.

Item#	Description	Color	Quantity	List Price
9-069360-709	Grid Clip Kits	Silver	Pack of 10	\$15.99
9-069361-709	Grid Clip Put-Er Up-Er	Black/Yellow	Each	\$9.29
9-2100828-709	Grid Ceiling Hanglers	White	Pack of 20	\$8.69

Put-er Up-er fits on most threaded broon handles and poles.

Each Grid Clip Kit Includes a twist on clip with 48" string plus clothespin.

Hold Its™ **Ceramic Ceiling Hook Magnets**

Decorate your classroom by hanging objects from the ceiling. Perfect for drop ceiling railing, sides of file cabinets and more. Helps you stay organized too. Each hook measures 1"L x .88"W. Pack of 5.

Alliance® Rubber Company Non-Latex Rubber Bands

Made from a synthetic rubber compound, these elastic bands prevent latex allergy reactions. A bright orange color makes it easy to identify these latex-free rubber bands. The soft stretch design means manipulation is easy on the hands and wrists to prevent carpal tunnel syndrome. These bands can also be sterilized by autoclave and irradiation.

Seat Sack®

Seat Sack® can be used as an organizer by kids or adults. All Seat Sacks are 10" deep with a gusset allowing a standard 2" binder to fit. Durable, easy to clean cotton/poly laminated fabric is CPSIA certified and meets flammability, and Prop 65 standards. Machine washable on a warm gentle cycle, tumble dry on low. Chairs stack easily without removing Seat Sack. The Elastic Back Seat Sack can be stretched to fit over the back of chairs measuring less than 10"-14" across the very top. If you have multiple size seats in your classroom, then this is the Seat Sack for you.

Shirley K's storage totes are designed to conveniently organize items. Store them on tabletops, workbenches, desks and project tables or place them in drawers, cabinets and closets for optimum organization. Made of sturdy high-impact polystyrene with a high gloss finish. Unbreakable in normal use. Smooth surface resists soiling and is easily cleaned. Resists inorganic chemicals. Lightweight and easy to handle. Designed to nest inside of existing storage areas and under tables and desks. All trays include a convenient aluminum card holder for labeling. All sizes are measured from lip to lip/outside dimensions.

The traditional milk crate has received upgrades which include a solid bottom, easy grip handles, and improved drop test performance. It holds letter or legal hanging files and crates and can be safely stacked up to six crates high. Stack them on their side to create a custom shelf unit or toss them in your car for mobile storage. These crates interlock in every direction.

FasTab Straight-Cut Hanging Folders

FasTab Hanging Folders feature built-in, heavy-duty, two-ply tabs that are permanently attached. You won't have to bother with inserting the right tab size. These straight-cut tabs offer plenty of labeling room and easy viewing. No assembly is required. Tabs are easy to label. Write directly on the tab or apply self-adhesive labels. Rod tips are coated to reduce rod bending and folder tearing. Folders are made of 11 point stock.

FasTab Erasable Hanging Folders

Erasable FasTab hanging folders feature a special erasable surface that makes it possible to revise and reuse hanging folders. Write directly on the erasable tab with a permanent marker and easily erase with a standard white eraser, making this an eco-friendly, reusable solution for your filing needs. These folders have built-in reinforced tabs attached to the folder for hassle-free filing. They require no assembly.

Smead® Hanging File Folders

A popular choice for desk drawer files, hanging folders keep important papers neat and organized. Coated rod tips allow smooth glide. Clear vinyl tabs with blank inserts can be positioned in a variety of locations. Two-tone green stock prevents filing papers between folders. All items are recycled with 10% post-consumer material with the exception of item 1079822 which has 30% post-consumer material.

Smead® Mortgage Pressboard Folders

Pressboard folders with 1/2 inch high metal tabs and preprinted dividers simplify mortgage paperwork. Organize paperwork using eight manila dividers with preprinted tabs. Tab headings include Insurance, Tax and Assessment Receipts, Mortgage, Title Papers, Attorney's Opinion, Appraisal, Credit Reports and

Application. Front divider has a preprinted form for mortgage applicant's basic information and an inventory checklist to keep track of documents added to the folder. Each folder includes a manila jacket for smaller papers, certificates or photos that cannot be hole-punched and a fastener compressor for tightly binding contents. Each folder also features 25 point Pressboard stock, with 1 inch expansion and 2 inch prong, K-style fastener.

Smead® SafeShield Colored Pressboard Fastener Folders

Pressboard Fastener Folders feature patented, SafeShield Coated Fastener Technology to resolve your fastener challenges. SafeShield helps prevent paper tears, finger cuts, and excessive fastener crinkling. 2 inch fasteners hold papers securely inside folders and prevent papers from falling out or getting lost. The bonded-style, coated fasteners are in positions No. 1 and 3. Folders have 1/3 cut tabs in assorted positions and a 2 inch expansion to hold plenty of documents. Each letter size folder is made of 25 point colored Pressboard stock and a high percentage of recycled material.

Smead® TUFF End Tab File Pockets

File pockets won't rip out even when pulled from the shelf by the gusset. Gusset is fully lined with tear-resistant material. It also has special rollover reinforcement at the top and extends into the front and back panels twice as far as standard file pockets. Super-heavyweight, front and back panels provide rigid support and have a hidden reinforcement strip at the point of greatest stress. Extra-wide design accommodates standard-size, top-tab file folders to create a complete client file. File pockets have end tabs and are made of redrope stock.

Smead® End Tab File Pockets with Colored Gusset

Extra-wide file pockets feature two-ply, straight-cut end tabs. Favored by law firms, these letter-size pockets are made to hold standard top-tab folders without bulging out the side gussets. Organize depositions, discovery correspondence and more for a single client or matter in one pocket. Use extra-wide pockets to transfer desk drawer folders to central shelf file archives. Colored gussets allow color-coding by case or matter type and provide extra strength where needed.

Smead® Heavyweight File Jackets

End table file jacket features full-height side gusset to keep materials from slipping out and is closed on three sides for extra security. Use file jackets to keep medical charts, X-rays, photos and other bulky documents safe and secure within your filing system. Each file jacket offers a 2 inch expansion, straight-cut reinforced tab, and 14 point stock.

Smead® Out Guides

Out guides put an end to lost folders by clearly marking where folders have been removed. Simply insert the out guide in the file's place. Preprinted forms on the out guide indicate which file has been taken, who is using it and the date taken. Each side of the out guide has 150 entry spaces. A red OUT tab on the top of the folder and in the

1/5 cut center position facilitates quick identification. 1/2 inch high tabs are printed in reverse type. Out guides are made of 18 point stock.

Smead® File Pockets

Use colorful file pockets to quickly identify different types of files inside or outside of your file drawers. Matching colored gusset features a tear-resistant rollover reinforcement. Manila liners allow easy labeling on the straight-cut tabs. Drop-front panel provides easy access to contents. File pockets are made of 11 point stock. Assorted colors include: redrope, green, blue, red, and yellow.

Smead® TUFF® File Pockets

TUFF® Pockets are virtually indestructible yet they look like standard redrope files. They pass the toughest tests and last for years, even when loaded with large, heavy files, catalogs or notebooks. 6-1/2 inch high sides and bottoms are fully lined with tear-resistant material. Special rollover reinforcement at the top extends into the front and back panels twice as far as standard file pockets. Heavyweight, 7/8 inch front and back panels provide rigid support and have a hidden reinforcement strip at the point of greatest stress.

Smead® Easy Grip® **File Pockets**

Easy Grip File Pockets feature a special grip strip to provide twice as much grip as a standard pocket. They require less gripping force and strain to pick up out of drawers or to pull off shelves. Sturdy file pockets have a straight-cut tab at the top

for plenty of labeling space and are closed on three sides to protect your documents. The rollover, tear-resistant reinforcement on the sides makes them virtually tearproof. File pockets are ideal for bulky legal or accounting files.

Smead® **Notes File Jackets**

Notes File Jackets eliminate messy scribbles or sticky notes often placed on the outside of files. Keep track of information directly on the preprinted lines on the front and back sides of the jacket. File jackets are closed on three sides for document security and keeping those small incidentals contained. They are

great for taking files out of the office. Reinforced, two-ply tabs on the letter-size jackets provide extra durability. Assorted colors include pink, yellow, goldenrod, and teal.

Smead® **Project Jacket with Reinforced Tab**

Project jackets are a perfect way to keep your project materials organized and remember important project details. Preprinted areas on the front. back and tab provide a simple and consistent format for tracking your projects. Top tab is reinforced. Fullheight side gussets keep materials from slipping out, and a reinforced

tab provides added durability. 2 inch expansion provides ample space for project materials. Project jackets are made of 11 point stock.

Lion® Poly Envelopes

Sleek document envelope is designed without gussets to save filing space yet can hold up to 180 sheets or entire letter-size folders. Hookand-loop closure allows quick, easy access to contents. For clear view of contents, this transparent envelope will work perfectly. Organize your documents in this convenient and roomy, letter-size (A4-size) envelope. You can reduce the amount of fading in photos, artworks and documents by shielding them in these acid-free envelopes. Your contents will not transfer toner or stick to this envelope made from archival-safe polypropylene. Poly is recyclable so envelopes are environmentally friendly.

DYMO® LabelWriter® Label Makers

DYMO® LabelWriter® 550 comes with unique new label-type recognition and display technology, so you always know the size, type, and number of labels remaining at a glance.

DYMO® LabelWriter® 550 Turbo provides high-speed, accurate label printing with LAN network connectivity (connect to your network via ethernet cable - print from any computer in that network). With unique new label-type recognition and display technology, you'll also always know the size, type, and number of labels remaining at a glance.

DYMO® LabelWriter® 5XL is the ideal choice for ecommerce sellers, printing 4 x 6 inch shipping labels directly from eBay, Amazon, and many others. It's compatible with many major shipping carriers and third-party software, and produces warehouse labels, barcodes and ID labels, bulk mailing labels, and other large-format label types with ease. Unique new automatic label recognition technology means no more guessing at the right label type from a drop-down menu. Printing is high-speed with a typical output of up to 53 labels per minute, and precise label quantities are produced without the need to wrestle with sheet labels.

Durable

Label in tough conditions, where you wouldn't expect a label to stick. These labels resist peeling and abrasion.

LetraTag 100T Plus is ideal for the home or small office. The computer keyboard design is easy to use with advanced features like multiple font styles, text sizing, date stamping and more. Unique graphical display allows you to see text effects on screen before you print. Compact label maker features a 13-character LCD screen, two-line printing, five font sizes, seven print styles, and three language options (English, French, Spanish). Direct thermal-print technology requires no ribbons, ink or toner cartridges. Uses ½ inch LetraTag LT Label refills. Label printer includes two ½ inch label cassettes (one paper, one plastic) and runs on four AA batteries (not included).

LetraTag 100H Plus Portable label maker is ideal for the home or small office. Simple ABC keyboard is adult-friendly and child-friendly. Large screen makes office labeling quick and easy. 13 character x 1 line graphical display lets you see text effects on screen before you print. Label maker prints 1 or 2 lines per label on 1/2 inch (12mm) wide paper, plastic and metallic labels. Label maker also includes three language options (English, Spanish and French) and a low-battery indicator. Label printer runs on four AA batteries (sold separately). The LetraTag Plus LT-100H label maker includes two LetraTag tapes (White paper and clear plastic) and a grab 'n go mountable holder.

Use the AC adapter (sold separately) when your batteries run out. AC adapter is also compatible with Dymo LabelManager 160, 210D, 220P and 500TS.

DYMO® Rhino 5200 Labelmaker Kit

The Rhino 5200 Labelmaker Kit lets you quickly create crystal-clear, professionally formatted labels for wires and cables, terminal blocks and more. Print Code 39 and Code 128 bar codes on 3/4 inch (19mm) labels. Rhino 5200 uses industrial-strength labels that resist extreme heat, UV rays, and moisture so your labels will stay stuck and stay legible in harsh conditions. Pre-programmed symbol library includes industry symbols, punctuation, currency and fractions. Large two-line display is backlit for poorly lit installations. Label printer runs on six AA batteries (sold separately) or on lithium-ion battery (included) and meets all ANSI, TIA/EIA-606-A labeling standards. Automatic shut-off maximizes battery life.

Avery® PermaTrack™ **Asset Tag Labels**

PermaTrack™ Asset Tag Labels make it easy to create your own bar-code labels, equipment tags, property tags, and nameplates on demand, right from your laser printer. They are optimized for superior print performance to print smoothly without skewing or jamming. Customize with text, graphics, serialized numbers and bar codes using the free, online, Avery Design & Print software with bar-code

generator. Print as many asset tags as you need when you need them, avoiding high minimum order quantities and long lead times from custom printing services. PermaTrack™ Asset Tags feature a strong adhesive to enable reliable identification and tracking for the life span of your asset.

Avery® Dissolvable Labels

These unique Dissolvable Round Labels disintegrate quickly and easily when washed by hand or in the dishwasher - with no soaking required. They're freezer-safe and microwave-oven safe. Labels include FDA-compliant adhesive that's safe for indirect food contact. They're great for canning, jamming and food storage. They stick to almost any surface including glass, wood, metal and plastic but dissolve completely, leaving no residue. Labels are easy to customize with free online templates and designs. Or simply handwrite with pen or pencil. Each sheet includes 18 labels.

Avery® Wraparound Labels

Give your products a professional, printed-on look with durable, wraparound labels that conform to curved surfaces. This flexible label solution allows smooth application. Sturdy polyester material is water-resistant, ensuring that the label holds up to moisture, scuffing and tearing. Water-resistant material keeps colors from running when wet. Print-to-the-edge capability lets you apply bold colors and sharp clear text all the way to the edge of the rectangular label to vividly showcase your logo or information. Backed with permanent adhesive, the labels stick to glass, plastic, paper and more, allowing you to put your mark on nearly any product. With free templates and designs online, you can easily customize the labels with your unique marketing strategy in mind. Labels are compatible with laser and inkjet printers.

Avery® TrueBlock™ Removable Labels

Durable labels with removable adhesive provide a custom-printed look to any outdoor application. Sturdy, durable polyester material holds up to moisture, scuffing and tearing but removes cleanly once the job is done. TrueBlock technology on the rectangular labels allows the labels to completely cover everything underneath so you can reuse file folders again and again. Perfect for identifying contents of containers at outdoor events, refrigerated products, plants and more. Customize using Avery's free online templates and designs. Print-to-the-edge capability lets you extend vivid colors and sharp text right to the end of the label. Simply peel and stick. Letter-size sheets of labels are compatible with laser and inkjet printers.

Quality Park® Tech-No-Tear Envelopes

Durable envelopes have poly coating for superior moisture and tear resistance. Poly paper material makes envelopes less flexible allowing easier insertion of contents. Paper sides allows envelopes to be written on, printed, and imprinted with postage meter. Redi-Strip closure requires no moisture to seal.

DYM0® 5 lb Digital **Postal Scale**

The DYMO digital postal scale weighs envelopes and packages

up to 5 lbs. (2.2 kg) without a trip to the Post Office or mailroom. Conveniences include a hold feature that locks weight display for ten seconds when the screen is obscured by a larger item, a tare function for accurately weighing items in a container, an automatic shut-off that prolongs battery life, and an LCD screen that displays the weight in easy-to-read digital format - in lbs./oz. or kg./g. The digital postal scale fits on the busiest desk or stares neatly in most desk drawers.

C-Line® Two-Pocket Heavyweight Poly Portfolios

With the help of this two-pocket folder, your letter-size papers can stay organized while still remaining accessible in your three-ring binder. Heavyweight polypropylene material resists tearing for long-lasting organization. Cutouts at the top and bottom keep it from being caught in your binder's open-close mechanism. Pre-punched edge allows easy organization in your three-ring binder.

Avery® **Recycled Sheet Protectors**

Economy-weight sheet protectors are designed for lightweight use. Nonstick polypropylene won't lift print off inserts and is acid-free and archival-safe. Letter-size inserts can be easily inserted from top. Design features a threehole punched edge so you can avoid punching holes into your important documents. A reinforced binding edge anchors the protector in your three-ring binder and resists tearing on the rings.

Avery® Sheet Protectors for Three-Hole Punched Paper

Diamond-clear, sheet protectors allow you to protect your papers without obstructing your tab dividers. Page-size sheet protectors offer sturdy protection of your three-hole punched pages without an extended binding edge that makes tabs hard to find. Load from the top. Durable material withstands the rigors of use in a three-ring binder. Acid-free, archivalsafe material keeps your pages in top condition and won't lift print from papers. Each page holds one sheet of three-hole punched paper.

Samsill® Earth's Choice™ **Biobased Color Binders**

USDA CERTIFIED - USDA Certified Biobased Product after undergoing ASTM D-6866 testing. Composed of at least 59% biobased material. Includes boards made with 100% recycled fiber. ARCHIVAL SAFE - Clear overlay with non-glare finish on front, back, and spine, made with PVC free and non-stick polypropylene/polyethylene. Will not

transfer ink or lift copy from material inserted in cover or placed inside. Round rings mounted on back lid allow pages to lay flat, reduce wear on punched pages and provide a clean looking spine. Extra storage for loose documents or unpunched pages with two clear inside pockets.

Avery® **Framed Heavy-Duty View Binders**

Easily insert title page and spine ID with convenient mounting sheets. Two clear interior pockets and a business card pocket add to the professional image. One Touch EZD rings open easily, keep pages secure and provide increased capacity versus same size slant and round ring. 1/2 inch has Slant ring. Pages lie flat with backmounted rings. Exposed rivets on back. Wider front and back binder panels fully cover standard dividers and sheet protectors. Overlay material is crystal clear. Binders are made of heavy-duty vinyl. Holds 8-1/2 x 11 inch documents. Contains 37% minimum post-consumer materials.

Avery® View Binders with TouchGuard Protection

Antimicrobial agent protects the binder from the growth of mold, mildew, and bacterial odors. Slant rings have a higher page capacity vs. the same size round rings and resist gapping for smooth page turning. Ideal for long-term storage, nonstick polypropylene material is acid free and won't lift print. Four interior pockets for increased storage. Contains 36% minimum post-consumer materials.

Business Source® Easy Open Non-Stick D-Ring View Binders

Locking D-Ring View Binder features no-pinch rings that open, close and lock with one touch. D-ring design holds more sheets than standard round-ring binders. Locking steel rings are mounted to the back instead of the spine so pages lie flat. Clear, nonglare overlay holds custom title sheets. Four horizontal pockets are stacked inside front and back covers to maximize storage space on the covers. Each pocket holds 30 sheets. Binder also features exposed rivets and a sturdy chipboard core.

Business Source® Slanted Ring View Binders

Basic D-Ring View Binder offers a clear, nonglare overlay on the front cover, back cover and spine for easy customization and identification. Slant-D rings hold 25 percent more paper than traditional

binders. Back-mounted metal rings allow pages to lie flat. Two triggers on the ring mechanism provide easy access to your documents. Clear pockets on the inside covers offer extra document storage with a 30-sheet capacity for each pocket. Design also features a sturdy chipboard core and exposed rivets. Three-ring binder is made of polypropylene.

Business Source® Slanted Ring Binders

Slant-D ring binder is designed for maximum sheet capacity. Rings are mounted on the back cover for lay-flat visibility and long-lasting durability. No-gap D-Rings stay tightly closed without gaps and hold 25 percent more paper than the same-size round rings. Nonglare CleanView cover and pocket material resist toner transfer so ink from printed papers won't stick or

mark binder, leaving a clean impression over time. Three-ring binder also offers exposed rivets and two clear interior pockets for additional document storage and double opening/closing boosters. Label holder on spine allows easy identification. Binder is made of polypropylene covering sturdy chipboard for durability

bilider is made or polypropylene covering stardy chipboard for durability.

Avery® Economy Round Ring Binders

For convenient organization of your documents, it doesn't get much simpler than this handy Economy Binder. Metal round rings mounted on the spine hold your letter-size papers securely in place to let you flip through notes, reports and more without getting your pages out of order. Slip loose pages into the two interior pockets for easy access later. Each pocket holds up to 20 sheets. Binder also features concealed rivets for a professional appearance, vinyl construction and a sturdy chipboard core.

Avery® Magnetic Hanging Binder Rings

The binder ring mechanism stays safely in place with the use of two strong magnets with a pull force of ten pounds. These extra strong magnets will make sure your documents stay in one spot and won't slip down or slide. However, they are also designed to be easily removable if they need to be relocated. The 3 binder rings safely lock in place and open by pressing down on two tabs on opposite ends of the ring mechanism. The slanted binder rings are designed to make it easy to flip pages up without wrinkling or catching. The 1-1/2 inch binder rings can hold up to 375 sheets of 8-1/2 x 11 inch paper.

Avery® Big Tab™ Insertable Pocket Plastic Fashion Dividers

Give your school subject binders, recipe binders, office binders and more an extra bit of fun with colorful pastel Avery plastic page dividers for 3 ring binders. This pack includes 1 set of 5-tab insertable dividers in a variety of soft, pastel patterns with elegant crosshatched and polka dot designs. 1 pocket is attached to every divider for extra storage for loose sheets. Each divider is made with a durable plastic material that will last longer than standard paper dividers. The insertable Big Tab divider tabs are 50% larger than traditional divider tabs and each tab also includes an easy access slot to make it simpler to slide tab inserts in and out as well as an indented point to keep the inserts locked in place.

Case • it® 1.5" D-Ring Dual **Zipper Binder with 5-Tab Expanded File**

Case it sippered binder with two 1-1/2 inch sets of D-Rings, 3 inches total capacity. Features a removable pencil pouch, hook and loop hold-down pages, handle and shoulder strap. Ripstop material's square pattern traps punctures to prevent tearing and patented angled zipper keeps gusset out of the way when writing.

Case•it® 3" O-Ring Zipper Binder with 5-Tabbed Expanding File

The Case • it® Mighty Zip Tab Zipper Binder is an efficiently-designed 3-ring organizer with a five-color, tabbed expanding file folder. This large-capacity binder also features a gusseted zipper for easy access plus a carry handle and shoulder strap for versatile mobility. The zipper has a unique angled design to make it easier and quicker to zip things up when

packed with your important papers and materials. All of Case it's binders use Kraft board instead of PE board to give its binders a firm, stiff shape that won't buckle or warp. The spine is specially designed so that your binder can lay flat when open, making it easier to add or take papers out, and to take notes in. Case•it produces quality binders offering unique organizational tools for school or home use.

Customize tab titles and create professional dividers using these index dividers. Standard software programs provide label layouts for quicker and easier formatting. The labels virtually disappear when applied to tabs on the side of dividers. Dividers are three-hole punched with Mylar reinforcement

around the 9/32 inch holes for use in standard binders. Dividers include easy-to-follow instructions. For use with laser printers.

Samsonite® Tectonic Wheeled Backpack

With seven exterior and six interior pockets, this wheeled backpack offers storage space for all your travel essentials. Extra-strength fibers are interwoven into the fabric at specific intervals to provide exceptional tear strength in a lightweight material. Inline skate wheels are constructed of polyurethane with ball bearings to minimize frictional resistance, offer durability and reduce resistance for extra-smooth rolling. Retractable, push-button handle provides easy maneuverability when extended out from the case and stores neatly inside when not in use. Padded laptop compartment protects most 15.6 inch laptops from shocks while traveling. Quick-change back panel technology allows simple access to the padded shoulder straps. Felt-lined hidden pockets protect your valuable items from scratches and bumps. Stealth zippered water bottle pockets prevent bottles from falling out and keep them hidden from view.

Dry-Lam® Gloss Laminating Film Rolls

High gloss laminating film comes on a 1-inch core and is specifically for roll laminators. It is designed to work with all brands of heat seal laminators.

Item#	Size	Thickness	Quantity	List Price
1" Core				
9-2048083-709	38 in x 500 ft	1.7 mil	Pack of 2	\$223.89
9-2048084-709	38 in x 250 ft	3.0 mil	Pack of 2	\$272.59

Laminating film adds years of life to your visual materials. Use it for flashcards, charts, certificates, bulletin board materials and more. Laminating film prevents tearing and wrinkling, and the high gloss finish provides an excellent write-on/wipe-off surface. Available with 1" or 2 1/4" core. Be sure to check current size before ordering. The 500' rolls are made specifically for roller laminators. Ideally designed to work with all brands of heat seal laminators.

Ultima 65 Roll Laminator

Laminator has the features educators have been asking for. Compatible with both standard and EZload film and features a pivoting feed table to make changing the film super easy. EZload film uses color and size coded endcaps to ensure film loads correctly and prevents costly loading errors. AutoSpeed, front and back stop buttons, auto shut off and a built in trimmer make this laminator simple and easy to use. Warms up in 10 minutes and laminates up to 10' per minute. Laminates items up to 27" wide and uses NAP I film up to 3 mil. **90-day warranty.**

Laminator Cart

This laminator equipment cart is perfect for use with the Wide Format DryLam Laminating Machines and can hold both the 27 inch and 40 inch models. This black cart is made with heavy duty steel construction, 2 lockable doors, and has a steel rod brace to prevent unwarranted access to storage space. The non-locking, hard rubber casters make the DLLS29 Equipment Cart easy to maneuver. Cart dimensions are 36.0 L x 24.0 W x 26.75 H.

				90 DAYS LABOR		

This commercial-grade, automatic laminator makes laminating easier than ever by laminating, trimming, cutting, and stacking up to 200 sheets with the push of a button. Laminate sheets up to 13" x 19" in size with up to 5 mil lamination using heated rollers for crystal-clear, scratch-free laminating. The intelligent chip-reading design, removes the guess work from setting temperatures, as it will automatically set to the correct temperature for the film in use. This laminator also comes with two rolls of 1.5 mil Gloss film so you can immediately get to work.

Foton 30 Automated Laminator & **Auto-Threading Film Cartridges**

World's first fully automatic laminator with auto-cartridges. As simple as pressing a button, machine feeds, laminates and trims automatically. Just place documents in the tray, press run and walk away. Automatically starts once warmed up. 3-5 mil film cartridges are auto-threading, simply drop the cartridge in the machine and close the lid. Three different mode options let you laminate letter size pages, oversize documents and odd shapes. Load up to 30 letter size sheets in the Auto-Feeder. Laminates up to 230 documents per film cartridge. A sensor controls spacing to minimize film waste and prevent jams. Auto deskew straightens pages so they feed evenly. Auto shut off and mil thickness detection. Two-year or 5000 laminate warranty. Starter cartridge included.

C-Line® Cleer Adheer® Antimicrobial Laminating Sheets

Do-it-yourself laminating film with built-in antimicrobial protection helps prevent the growth of mold and preserves documents. Waterproof, tear-resistant permanent protection without heat or special equipment. Can be cut to any size; grid pattern on split-back liner makes trimming easy. Antimicrobial protected option is Triclosan-free.

Clear Antim	icrobial Protected			
9-082381-70	9 65009	9 x 12 in	Pack of 50	\$49.19

Pacon® Protecto Film™

Protect posters, graphs, maps, presentations, report covers and much more with crystal clear, non-glare plastic adhering film. Quick-release backing sheet shows centimeter grids and inch rulings for easy measuring.

Item #	Model Number	Size	Quantity	List Price
9-006324-709	72350	18 in x 65 ft	Each	\$64.59
9-006591-709	72380	24 in x 33 ft	Each	\$57.59

Vistafoil® Repositionable Self-Adhesive Laminate

Covers and protects books, pamphlets, maps, etc. Clear 4.0 mil laminate with delayed action adhesive allows repositioning and adjustments. Permanent bonding occurs in approximately 12 hours. Printed grid facilitates fitting and cutting.

Item#	Model Number	Size	Thickness	Quantity	List Price
9-026878-709	30111	9 x 200 in	4.0 mil	Each	\$24.19

9-038226-709	30125	18 x 400 in	4.0 mil	Each	\$72.99

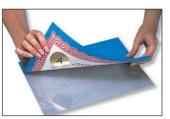

Avery® Self-Adhesive Laminating Sheets

Self-adhesive laminating material on easy-to-remove backing with grid for easy alignment and cutting. No special equipment needed. Less expensive than thermal lamination. Non-stick polypropylene material is acid-free and won't lift print.

Item#	Description	Size	Quantity	List Price
9-1118297-709	Laminating Sheets	9 x 12 in	Pack of 10	\$17.49
9-1308290-709	Laminating Sheets	9 x 12 in	Pack of 50	\$53.79

Cleer Adheer Laminating Film

Protect important papers, favorite pictures and more. Quick, easy, effective; peel off the backing paper and apply. No heat or special equipment needed. Will not crack or tear with age. Follow the instructions for professional-looking lamination at your fingertips. Grid pattern makes trimming easy.

Item#	Model Number	Size	Thickness	Quantity	List Price
9-2021276-709	65001	9 x 12 in	2 mil	Pack of 50	\$44.29

Self-Seal Single Sided Laminating Sheets

Designed for heat sensitive materials. Produce great results, fast. No machine needed. Just peel and seal. Alignment grid on peel-off backing makes it easy to center your document. Clear structure provides protection from wear and tear.

Item #	Size	Thickness	Quantity	List Price
9-1087385-709	9 x 12 in	3 mil	Pack of 50	\$82.09

Peel & Stick Laminate Roll

Keeps projects and documents clean and safe. Great for protecting documents, posters and more. Can also be used as adhesive shelf liner. Preprinted paper backing makes it easy to measure and cut to size. Especially good for continuous lamination of long items. Permanent and acid-free.

Item #	Model Number	Size	Quantity	List Price
9-1330806-709	1115016	18 x 24 in	Each	\$46.69

Self-Adhesive Laminating Sheets

Self-adhesive laminating sheets are convenient and easy to use. Laminate one or both sides of a document. Can be trimmed to fit various document sizes. No laminating machine required.

Item#	Size	Thickness	Quantity	List Price
9-1407047-709	9-1/4 X 12 in	3 mil	Pack of 50	\$52.89

Clear Self-Laminating Pouch

Designed to protect letter-size documents and badges. Short side is sealed. 6 mil pouch offers a medium construction designed for moderate handling, filing or posting or items such as photos, legal files and index cards.

Item #	Size	Thickness	Quantity	List Price
9-1599631-709	9 x 11-1/2 in	6 mil	Pack of 50	\$112.79

Brother® IntelliFax 2940 Laser Fax

Designed for small to medium businesses, high-speed laser fax offers a high-capacity, front-loading paper tray that simplifies paper handling, and a high monthly duty cycle. This feature-rich model is equipped with a fast modem (33.6Kbps) to reduce transmission time and abundant memory for worry-free fax storage. IntelliFax2940 sends a page in approximately 3 seconds. The 16MB memory stores up to 500 fax pages. 250-sheet input tray reduces the time spent reloading paper and adjusts to

hold either letter-size or legal-size paper. Other time-saving features include the ability to auto-dial up to 222 numbers, 22 one-touch locations, up to 272 broadcasting locations, 30-page auto document feeder and high-yield replacement toners.

Canon® DR-C240 Office Document Scanner

With its powerful document capture capabilities and dynamic ability to scan various document types, this scanner can easily convert paper-based documents into high-quality, digital files for any office environment. A dynamic feeding system scans both sides of an item in a single pass at up to 45 pages per minute. Double-feed release functions and a one-touch release button allow scanning to resume when double-feed is detected for a

seamless scanning experience. Easy-to-use operation panel features accessible controls to start scanning operations, preconfigure job tasks and more. CaptureOnTouch lets you route scanned images directly to cloud applications such as Evernote, Microsoft SharePoint and Google Docs, and output images in multiple file formats. ISIS/TWAIN drivers provide easy integration with third-party software.

Canon® imageFORMULA DR-M140 Sheetfed Scanner

With an out-of-the-box design, reliable handling, and advanced image quality functions, this document scanner is a performance-driven device that provides the basis for an intelligent document capture system. Its compact, versatile design helps reduce paperwork and improve workflows in your workplace. Two feeding paths meet your widespread needs of scanning mixed batches of documents. The default U-turn path works well for typical jobs, while the straight path can be selected to handle items such as thick or thin documents and embossed plastic cards. This scanner also offers pickup feeding for increased reliability upon initiating a scan, as well as Ultrasonic Double-Feed Detection to help ensure that no data is lost if a double-feed occurs. Its fast operation is capable of scanning 6,000 documents per day by holding 50 sheets in its feeder and scanning up to 40 pages/80 images per minute, including color.

HP® M652DN Color LaserJet Printer

Color LaserJet printer with a 2.7 inch LCD combines exceptional performance and energy efficiency with professionalquality documents, all while protecting your network with top of the line security. With HP Sure Start, this printer regularly checks its operating code and repairs itself from attempted hacks to help prevent potential attacks. Its fast start time wakes up quickly and prints your first page in as little as 8.4 seconds for

time-saving performance. Advanced design is compatible with high-yield, color toner cartridges with JetIntelligence (sold separately) to get the most out of your prints. Centralize control of your printing environment with Web Jetadmin and help build business efficiency with confidence. Printer also features 1GB memory, 1.2 GHz processor speed, 100-sheet multipurpose tray, 550-sheet input tray, 500-sheet output bin, automatic dual-sided printing and more.

Brother® HI - L5200DWT **Business Laser Printer**

Monochrome laser multifunction copier helps improve office productivity with fast print and copy speeds of 42 pages per minute at up to 1200 x 1200 dpi. Backlit LCD makes navigating through the menu options fast and simple. Advanced security features help restrict unauthorized printing and protect your sensitive documents. 250-sheet and 520-sheet paper trays plus a 50-sheet multipurpose tray provide an 820-sheet total paper capacity. Automatic duplex

printing allows you to quickly print two-sided documents to reduce paper consumption. Built-in wireless and Ethernet network interfaces enable you to share this printer with multiple users on your network.

• This printer is compatible with our toner items 1273494 and 1273491.

Brother® HL-L3290CDW Compact Laser Printer

Digital color printer with copying and scanning is a great choice for home or small offices. Quick print speeds up to 25 pages per minute accommodate the varied printing needs for busy locations. Manual feed slot can handle a variety of paper sizes and types, including cardstock, envelopes and more. Connect with versatile options including built-in wireless or USB interfaces and print wirelessly from mobile devices. The 250-sheet capacity, adjustable paper tray helps improve efficiency with fewer refills and handles letter-size or legal-size

paper. Plus, it's compatible with Brother Genuine high-yield replacement toner cartridges (sold separately) to help minimize your printing costs.

• This printer is compatible with our toner items 2049151, 2008873, 2008874, 2008876, 2008877, 2008879, 2008878, 2008880, 2008881 and 2049146.

Pacon® Multi-Sensory **Handwriting Paper**

The Multi-Sensory Raised Ruled Paper has raised headlines and baselines which help students stay within the guidelines. It helps teach handwriting through two senses, sight and touch. The headlines are blue and the baselines are red. It

has a 5/8 inch ruling, 5/16 inch dotted midline and 5/16 inch skip space, and conforms to both D'Nealian™ and Zaner-Bloser handwriting styles. Tablets contain 40 sheets.

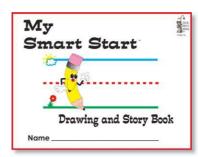

Teacher Created Resources Smart Start™ Writing Expanded and Story Paper Offering

Smart Start Writing Paper is truly a Smart Start for beginning and experienced writers. Bold graphics in blue, green, and red promote the feeling of success as children simply "Start at the Sky and

pull down to the Ground" to form letters correctly. K-1 Story paper has a $3-\frac{1}{2}$ inch space at the top. 1-2 story paper has 5 inches at the top.

C-line® Filler Paper

Instantly create writing space in binders and folders, by inserting the three-hole punched filler paper. Perfect for students and professionals, the durable pages can be used to record everything from class notes to documenting weekly to-do lists. Bright white paper is lined with margin space to allow for neat writing. Pages measure 8 x 10-1/2 inches in size so they can easily be inserted in all letter-size folders, files and binders. Keep track of notes by adding the pages into a standard 3-ring binder since the pages come hole punched down the left side of the page. Bright white paper has blue handwriting lines with a red margin divider.

Pacon® Dual Ruled Composition Books

The new Pacon® Dual Ruled Composition Books feature two alternating ruling styles. The right-hand page offers a 3/8 inch wide ruling or a 9/32 inch college ruling for traditional note taking and the left-hand page features a 1/4 inch grid ruling to draw coordinating graphs, illustrations and interpretations. Note taking in this manner engages both hemispheres of the brain. These durable, hard cover, one-subject books are available in four different colored covers with a coordinating colored paper on the inside. Using colored paper has been

shown to help students with dyslexia work through the impacts of this learning disability.

The colors also allow students to organize by class, theme or semester. Recyclable.

Cumulative Record Folder and Inserts

For Kindergarten through Grade 12, and used by schools throughout the United States, this folder is designed for inserts, depending on the needs of each individual student or requirements of the school. Space is provided for records of student identification, attendance summary and access/transfer information. Folders are triple scored at the bottom for 1/2 in expansion. Printed on durable index stock. Full size 11 7/8 x 18 5/8 in. The elementary & Junior High Data Insert includes personal and family data, testing information and extended absences. The health record includes health history, chronic illnesses, immunizations, physical exams, vision screenings and hearing and dental testing results. The Special Help records student special needs, such as speech therapy, elementary counseling, compensatory programs and special education. Inserts are 9 x 11-3/4 in

Better Than Paper® Bulletin Board Rolls

This revolutionary non-woven fabric makes creating beautiful bulletin board backdrops quick and easy! The lightweight material is simple to hang—no more struggling with paper that wrinkles and tears. Attach border trim, accents, posters, and student work with staples or tape and remove without ripping or leaving conspicuous holes. The durable write-on/wipe-off surface can be used again and again. Each roll measures 4 x 12 feet.

Inspired Minds Inspirational Posters

These positive daily reminders cannot be understated, and the earlier you instill self-confidence, the more likely students will succeed as adults. Useful for classroom activities gained with the use of these affirmations. In Spanish version one side is printed in masculine and opposite side in feminine. Measures 11 x 17 inches each.

20-Second Hand Washing Timer

Help your little ones build essential hygiene habits to last a lifetime with the 20-Second Handwashing Timer from Learning Resources. This fun interactive timer provides visual and audio cues to let kids and adults alike know when they've hit their recommended handwashing goals. Simply tap the timer, take three seconds to grab some soap, then start scrubbing while the light is lit. When the timer hits 20 seconds, you'll hear a little beep to let you know it's time to stop! Appropriate for ages 3 years and up.
