Picture Frame Paper

List Price

Quantity

Pack of 100

Talk about a fancy display! This Picture Frame Paper looks like a family room portrait, yet costs much less and needs no installation. Very realistic 3D antique picture frame printed border. Outside of paper with frame measures $13-\frac{1}{2} \times 15-\frac{1}{2}$ inches, while the inside white space measures 8 x 10 inches, which allows students to create 8 x 10 inch artwork and then glue or paste the finished product directly within the framed-look paper. Young artists can also instantly draw, paint, or use a rubbing plate to create

a design right onto the framed paper. Made in the USA.

X-ACTO® Self-Healing Cutting Mats

The X-ACTO Self-Healing Cutting Mat with Non-Stick Bottom protects home and office work surfaces during craft and design projects. The selfhealing protective PVC surface of this mat easily absorbs cuts from sharp X-ACTO knives, so it stays smooth and steady after every cut. A nonslip bottom keeps the mat securely in place during use, while the printed one-inch grid pattern allows you to line up and measure materials to make accurate cuts. Ideal for crafting, scrapbooking, and hobbies of all types.

Fiskars® Starter Scissors

Fiskars Starter Scissors are thoughtfully designed to teach beginner users how to properly hold and squeeze scissors. Plastic safety scissor blades, and straight, no-loop handles make them easy to grip, while a spring-action design opens the blades after each cut, allowing kids to focus solely on developing the closing motion. Additionally, blades open at a minimal angle, letting kids comfortably open them without losing their grip. For children ages two and up, Starter Scissors are the perfect way to start developing this key life skill. Colors may vary. **Lifetime Warranty.**

Item#	Product Length	Scissor Type	Quantity	List Price
9-2088930-709	5 in	Blunt Tip	Each	\$4.39

Sizzix® Framelits Die Sets

Cut what you see. It's that easy and efficient with Framelits. These wafer-thin chemically-etched die sets feature the perfect registration without interference from any ridges at the edge of the die opening. Plus, they're excellent for clearly cropping photos and cutting windows in cards, bags, boxes and scrapbook pages. Designed to cut a single sheet of cardstock, paper, metallic foil or vellum, these dies also make great stencils and are perfect for layering to produce a 3-D effect.

Cravola® Washable Paint

Brilliant colors wash easily from hands and most clothing. "Worry-free" paints for the classroom are an ideal substitution for tempera when teaching painting skills. The thick gel consistency and washability from skin and most clothing make paint application and clean-up easier than ever. Bright pigmented colors are non-toxic, freeze/thaw stable, do not separate, and dry to a matte finish. Sets of 6 contain one each of Red, Yellow, Blue, Green, Black, and White. Set of 12 contains the colors in the Set of 6 plus one each of Orange, Magenta, Violet, Peach, Turquoise, and Brown.

Conforms to ASTM D-4236

Playcolor® Water-Soluble Solid Tempera

Explore tempera in a whole new way with these unique tempera paints! Smooth as silk, they are easy to use and hard to put down. No water, cups or paintbrushes needed, the color is applied directly to paper, cardboard, wood, and more. They blend beautifully but dry in minutes, allowing excellent color layering techniques. Even watercolor effects are possible if water is applied soon after application. The standard stick will cover approximately 7.5 square feet of space.

Classroom pack of 72 includes: 12 each of 6 colors. Classroom pack of 144 includes: 12 each of 12 colors.

Liquid Washable Watercolors

Dark yet traditional hues are intermixable for endless shading options. Thicker viscosity makes for controlled dispensing, and increased surface tension results in less bleeding of colors. Will spread/wick when dripped on paper undiluted and spreads easily when brushed. Use at full strength or dilute with water for more muted color. Washable formula rinses out of most fabrics with soap and water. Non-toxic. **8 Color Set contains** one 8 oz. bottle each of Blue-Green, Red-Violet, Blue-Violet, Fuchsia, Coral, Pink, Yellow-Orange and Yellow-Green. **10 Color Set contains** one 8 oz. bottle of Red, Yellow, Blue, Green, Orange, Violet, Magenta, Turquoise, Brown and Black.

True Flow® Acrylic Mediums

High-quality, budget priced mediums. Non-toxic. Gloss Medium: Mix with acrylics or experiment with other materials such as tempera or watercolor to increase transparency, gloss, and permanency. Dries clear. Matte Medium: Add to acrylic or other waterbased paints to extend the paint and impart a matte sheen. Gel Medium: Maintains a heavy-bodied feel while extending paint. Great for impasto style work. Dries to a clear high gloss while retaining its applied shape. In wide-mouth jar.

American Easel Wood Painting Panels

A great alternative to standard canvas. Panels are constructed with a 1/8" Baltic Birch wood face and a smooth solid Poplar cradle (frame around the back). The cradled back ensures no warping, flexing, or stretching, and allows for easy hanging. Panels accept virtually any medium and are ideal for showcasing detailed or fine brushwork. No priming required; however, gesso can be applied if desired.

you to simply paint on the board's special surface with water; the image darkens and then slowly fades away. No ink, no paint, no chemicals! The Original Buddha Board comes with a bamboo brush and Japanese-style water tray/stand. The board dimensions are 12" x 9-1/2". The Mini Buddha Board features a portable design that conveniently folds back into its own small easel stand (just like a mini laptop). The board includes an attached water trough and small paint brush. Square board measures 5" x 5". The Enso case is a sleek, modern, and portable Buddha Board that you can tote, store, and enjoy anywhere. Enso includes a self-contained water brush that will "paint", as well as travel with ease. Enso measures 10" x 10".

Sax® unmounted linoleum features a synthetic surface with a velvety smooth finish that cuts easily using traditional linoleum tools. It leaves crisp, clean edges, works well for fine lines and detailed cuts, and is soft enough to be cut into different shapes with scissors. It has an extra-long shelf life and will not become brittle. Carvable on both sides, it is an economical choice for teachers and students alike.

Smart-Fab® Rolls	
Smart-Fab is the unique	
non-woven fabric - an	
innovative artistic	
and educational	
medium. There's	
no other material	
quite like it.	
Smart-Fab's bold,	
brilliant colors are in the	
material itself, so they won't fade	
and look great from either side. Soft	

and pliable yet strong and durable, Smart-Fab won't rip, fray or wear out, yet it's easy to cut, fold, twist, crimp, ruffle and glue. It's water and wear resistant, but can be easily colored with paints, crayons, markers and all popular art media. Smart-Fab's cloth-like texture makes it pleasant to handle, yet firm enough to be used in 3-D creations and it's great for outdoor use, too. Smart-Fab brings you endless creative possibilities. And, it's recyclable.

Duck Mirror® Crafting Tape

Take your creativity

and imagination to the next level. Duck Mirror® crafting tapes feature a unique mirror effect that adds a shine and dimension to almost any of your DIY and craft projects. They're ideal for scrapbooking, decorating and even for adding embellishments to other Duck Tape® creations. This new innovation works great with electronic cutting machines so you can create your own designs, shapes and letters.

Sax®

Self-Hardening Clay

Our premium quality Sax® Self-Hardening clay is suitable for all types of modeling, including being shaped by hand

or thrown on a wheel. Pre-moistened and ready to use. Pieces dry hard and durable. but not waterproof. Finished works can be decorated with tempera,

acrylics, and more. Use shellac or varnish to seal the artwork to make it water-resistant.

Item#	Color	Product Weight	Quantity	List Price
9-2101546-709	Gray	25 lbs	Each	\$53.29
9-2101547-709	Red	25 lbs	Each	\$53.29

Conforms to ASTM D-4236

Sax® Paper Based Clay

Ready-to-use, lightweight modeling material air dries in approximately 24 hours to a hard, durable finish that can be sanded, carved or painted. Will not shrink or crack. The fine-grained clay contains no silica and smooths easily with water. Off-white compound is odorless and non-toxic. Sold in 1 lb quantities.

Item #	Color	Product Weight	Quantity	List Price
9-410706-709	White	1 lb	Each	\$10.49

Crayola® Air-Dry Clay

Easy-to-use clay air dries to a hard solid - no kiln or oven necessary. Smoother, finer, and less sticky than traditional clay. Softens easily with water and quickly cleans from hands and surfaces. Use with traditional techniques such as pinch, coil, slab, score-and-weld, and more. Once dry, clay is solid & durable and can be painted with tempera, acrylic, or watercolors. Assorted 10lb set includes four 2.5lb tubs of each in Red, Yellow, Blue, and White along with an idea guide. Non-toxic.

Sandtastik® Rappit Plaster Cloth

Sandtastik Rappit Plaster Cloth is made from cotton coated with plaster of paris, a staple material in the art of casting and mold making. Once activated with water, plaster sets in just 5 minutes. Useful for a variety of applications: body casting, face casting, mask making, casting forms, sculpture, modeling, mold making, and so on.

Item#	Description	Size	Quantity	List Price
9-2002963-709	4 in x 15 ft	1/2 lb	Each	\$10.99
9-255699-709	4 in x 270 ft	10 lbs	Each	\$102.89
9-2002964-709	4 in x 325 ft	22 lbs	Pack of 2	\$153.09

High-quality fabric impregnated with non-toxic plaster, hardens slowly to allow more finishing time. Completed objects require less sanding. The gauze band is 6" wide and the continuous fan-fold packing allows for ease-of-use and handling. Just cut to desired lengths, wet strips and mold into a variety of shapes or use over armatures; sand and paint.

Not for direct body casting.

Why a Skutt?

- Training DVD covers everything you need to know
- Spring assisted lid lifter is safe and easy to use
- U. L listing is the most trusted name in safety testing
- Two year warranty that includes parts and labor
- Web and phone technical support
- Sectional design fits through any doorway
- Balanced elements ensure even heating

- Easy to use KilnMaster or KilnMaster Touchscreen automatic controllers
- Pre-heat feature prevents cracking
- Delay firing feature adjusts the firing to your schedule
- Coated lids prevent brick dust falling into your glazed pieces
- Ramp and hold programming allows you to fuse glass
- Built-in diagnostics allows over the phone technical help

Key for all individual glaze listings

 Not Dinnerware Safe Glazes: Color either doesn't comply with all Federal (Food & Drug Administration) and the most restrictive State (California Proposition) 65) regulations for food safety, or it is not recommended for use on surfaces that come into contact with food due to the soft or crackle nature of the glaze.

Note: Some glazes use cadmium encapsulated pigments to provide full, rich vibrant reds, oranges and some yellows. Glazes containing these pigments are all tested in accordance with Federal and State guidelines for food safety. Glazes must be fired to the recommended temperature inorder to be food-safe. Liquid or dry glazes are not suitable for ingestion or inhalation.

(a) products are non-toxic, lead-free, and safe for all ages to use.

products have cautionary wording for safe use and may not be sold for use in grades K-6.

Jonti-Craft® Clean Hands Helper Portable Sinks

Set up a portable hand washing station without plumbing! Encourage hand washing habits and help keep everyone healthy while meeting licensing requirements. Water is heated by the tankless, on-demand water heater. The water pump has a flow rate of up to half a gallon per minute. The tank for the non-potable clean water holds five gallons while the waste water tank holds six gallons. There is a catch tray under the tanks. Mistake-proof connectors means the clean and waste water tanks cannot be inadvertently switched. Plastic and stainless steel sinks are available, and are approximately 5" deep. Power switch inside the cabinet and openings for cord management.

Classroom Select® Activity Table with Apollo® Legs

Combining contemporary looks, functionality, and flexibility creates an ideal learning environment for student collaboration and interaction. Featuring the Apollo® leg, designed with 2" round, 17-gauge steel, available in 11" to 17", 15" to 25", and 22" to 30" adjustable height ranges and a variety of colors. Table legs come standard with nylon glides. Table tops are constructed from a 1-1/6" particleboard core with a high pressure laminate surface. Tables 60" or longer have a 20-gauge steel stretcher bar underneath the top for added structural strength to prevent sagging. A quick-set leg system offers easy installation and assembly. Available with an optional black metal book box, approximately 15" W x 11" D x 4-1/2" H, sold separately. Also add the Classroom Select® Technology Basket for a simple storage solution for up to 14" laptops or tablets. Easy to insall tote rail system available for your storage needs. Locking caster options available.

Quickship available for indicated shapes and sizes in laminate colors of Bannister Oak, Gray Nebula, Fusion Maple, Nepal Teak, Royal Blue, or Markerboard with Black or Titanium T-Mold edge, or Black LockEdge® in your choice of any leg height and color.

Classroom Select® T-Mold Activity Table with Standard Legs

Our most popular classroom table offers a wide variety of sizes, laminate colors, T-Mold edge banding, and upper leg colors. Tables have a 1-1/8" particleboard core with high pressure laminate top. Tables 60" or longer have a 20-gauge galvanized steel stretcher bar permanently attached to the underside of the top to prevent sagging. Tables are height adjustable on 1" centers from 22" to 30" or 15" to 25". Available with an optional black metal book box, approximately 15" W x 11" D x 4-1/2" H, sold separately. Easy to install tote rail system available for your storage needs, sold separately. Quickship available for indicated shapes and sizes in Bannister Oak, Gray Nebula, Fusion Maple, Nepal Teak, or Royal Blue laminate, with Black or Titanium edge in your choice of any leg height and color.

Classroom Select® LockEdge® Activity Table with Standard Legs

Cafeterias, libraries, and meeting rooms all require tables in different sizes, colors, shapes, and heights. Tops are constructed of a 1-1/8" MDF core with high pressure laminate surface, balanced with a phenolic resin backer sheet. The top is finished with a colored LockEdge® and black upper frame. Chrome leg inserts create tables that are height adjustable on 1" centers from 22" to 30" or 15" to 24". Available with an optional black metal book box, approximately 15" W x 11" D x 4-1/2" H, sold separately. Various caster options available upon special request. Quickship available for indicated shapes and sizes in Bannister Oak, Gray Nebula, Fusion Maple, Nepal Teak, or Royal Blue laminate, in your choice of any leg height and color.

Vidget® Flexible Seating System

This unique design provides an active seat, a stool, and a desk in one! Designed to let students safely release energy in order to improve attention and focus, these seats will not tip backward when students rock. Fidgety fingers naturally find the side handles with sensory bumps that provide tactile input to improve calmness. Seats are lightweight, durable, and easy to clean. They also nest to allow for multiple layouts in collaborative spaces and compact storage. Colors vary by size.

Essentials™ by MooreCo® Preschool Dividers

Preschool Dividers are the ideal portable panel for any early childhood environment. Use the panels as room dividers, acoustical shields, storyboard displays, or to exhibit artwork. Join dividers together to create private learning areas, or to divide rooms into activity areas. Available in easy to clean vinyl, or melamine dry erase surface. Lightweight panel and wide base design create stability. Black anodized aluminum trim. Panels include 2" casters (2 locking).

Children's Factory® Big Screen Panels

These panels can serve a variety of purposes in any classroom, preschool, or nursery. Great for creating a quiet space for rest time, building discovery, activity centers, and dividing rooms. Panels are durable and easy-to-clean. Double claws create flexible hinges to link panels together and allow for foldable storage. Panels can be used horizontally or vertically and each panel measures 47-1/2"W x 59-1/2"H. Set includes molded, weighted, plastic cantilever legs to ensure stability. Order one set of PlayPanel cantilever legs for every 3 single panels Single panel is available in blue, green, yellow, or red please specify color when ordering.

CHILDCRAFT® A School Specialty Exclusive

Childcraft® Wooden Unit Block Sets

From the simple manipulations of a young child to the increasingly detailed and symbolic structures of the older child, unit blocks form the cornerstone of the early learning experience. They teach design, organizational skills, imaginative play and more. High-quality, long-lasting unit blocks are made from durable rubberwood. All of our blocks are backed by our unconditional guarantee: if a block should split, break or splinter in the course of regular use, we will replace it for free. Based upon the standard unit block size of 1-3/8" x 2-3/4" x 5-1/2".

Unconditional guarantee!

CHILDCRAFT A School Specialty Exclusive

Preschool Grid Table with **Translucent Travs**

Standard Grid Table with Assorted Color Trays

Childcraft® Collaboration Multi-Purpose Table

This mobile collaboration table is great for a wide range of activities and is available in two heights. Included removable building base top is available with preschool or standard sized grids. Without the building base top, the large surface is ideal for building blocks, puzzles and construction play. A raised edge along the top keeps pieces from sliding off the table. Cubby spaces fit trays sized 11"W x 16"D x 6"H. Bricks sold separately. Grid colors can vary. Assembled.

Wooden Lacing Clothes

Children will learn color and shape recognition as they lace each button onto the boards. This set comes with 10 double-sided A5 cards which give different challenges across 3 levels. The set includes 32 FSC pine wood buttons measuring approximately 4 x 4cm in 4 colors and 4 shapes. The 4 boards (20 x 20cm) are made from FSC plywood and feature integral holes for threading your shapes using the 8 laces included with this set.

Item #	Description	Age Range	Quantity	List Price
9-2100535-709	Wooden Lacing Clothes	3 years +	Fach	\$65.59

1-10 Number Stacker

This inviting number stacker will be a valuable resource to teach early number concepts by helping children to make connections within and between numbers to ten. The bases measure 50mm and show four different representations for each number, numeral, standard 1-5 dice array, random dot array and 10-frame pattern. Great to support early number sense and counting, children will be able to clearly see the quantity or 'howmanyness' of each number, subitise through different patterns, 1:1 counting, 1 more/1 less and difference. Made from responsibly-sourced beech wood, each set includes ten number posts and 55 rings.

Item #	Description	Age Range	Quantity	List Price
9-2090335-709	Natural Number Stacker	18+ months	Each	\$99.99

Magnetic Color Matching

Guide the colored balls into the matching colored pencils using the attached magnetic wand. The 11 1/2" square wooden base is enclosed under an acrylic panel.

Item #	Description	Age Range	Quantity	List Price

Count Your Chickens

Players help mother hen collect her chicks and bring them back to the coop. Spin and move, count the number of spaces, and collect that number of chicks. Take turns but work together. Collect all the chicks and everyone wins! Kids practice counting and cooperation. Appropriate for ages 3+.

item#	Description	Quantity	LIST Price
9-2090458-709	Count Your Chickens	Each	\$28.29

Hoot Owl Hoot

Players help the owls fly back to their nest before the sun comes up. Play a color card and fly to that space. Draw a sun card and you're one step closer to the daylight. Help all the owls get home before the sun rises and everyone wins! The game is easy enough for first time game players and the game can be made infinitely more challenging simply by adding more owl tokens into the game. This allows the game to age with the child or for older kids (or adults) to play with younger kids. Appropriate for ages 4+.

Our Emotions and Behavior Series

achieve 13

The Our Emotions and Behavior series uses inviting, vividly illustrated stories to help kids understand how their feelings and actions are related and how they can get better at managing both. At the end of each book, a two-page series of pictures invites kids to tell a story in their own words. A special section for adults suggests discussion questions and ideas for guiding children to talk about their feelings.

SpellChecked

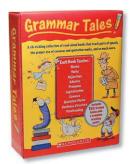

Players of all ages can practice and improve their spelling and their recognition of spelling patterns in words. Players are shown an image and the first letter of the word, and then they are asked to spell the word correctly. Players earn points for naming the image and spelling it correctly. If they can't spell the word correctly,

they can earn points for choosing from three options, only one of which is spelled correctly. There's the option of playing decks with more challenging words, so players of all capabilities can compete against one another and everyone has a chance to win. Appropriate for ages 3+.

Social Emotional Learning Book Sets

These leveled books have been hand-selected to introduce the five key components of SEL as identified by CASEL: self-awareness, self-management, social awareness, relationship skills, and responsible decision-making. An essential teacher resource, Creating Social and Emotional Learning Environments is also included with this set. This resource is designed to help educators grasp what SEL is, why it's important, and how to begin the implementation process in their educational environment.

Achieving Social Change

This series tells the stories of important social reforms brought about in history by activism and which are still of concern today. Each book takes a revealing new approach to social activism, seen from the perspective of those inside the campaigns and describing the changing tactics used to achieve change at different times. From abolishing slavery to protecting the planet, stories of key movements and change makers will motivate readers to think about the achievements of activists from the past and consider how they can be applied to activism today.

Next Step Forward by Jan Richardson

Word Study and Phonics: Clear, concise, and practical instructions for planning and teaching appropriate word study and phonics lessons.

Running Records: Running records reveal how students are processing a text. This book provides expert analysis of sample running records and offer how-to videos that take teachers beyond calculating a simple accuracy rate to observing their students' reading behaviors - and then taking next steps to plan targeted lessons.

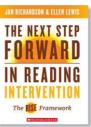

Reading Intervention: The RISE framework offers intensive, short-term targeted instruction in reading comprehension, phonics and word study, and writing.

Guided Reading: All the planning and instructional tools you need to teach guided reading well, from pre-A to fluent, organized around Richardson's proven Assess-Decide-Guide framework.

Commonsense Guide to your Classroom Library

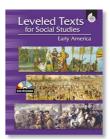

9

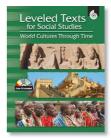

Literacy advocates Donalyn Miller and Colby Sharp follow the lifecycle of Sharp's classroom library across the year, showing us practical ways to support young readers-from weeding the collection before kids arrive and matching them with books they want to read, to evaluating and supporting their growth as they become increasingly independent readers.

Designed for use by groups of 2-4 students, each Learning Center is leveled by grade and focuses on a key standards-based topic. Each center includes 4 Visual Learning Guides, each focused on the same topic and providing a graphic overview of the concept along with "write-on"/wipe-off" activities and quiz questions. Also included is a Curriculum Mastery Game with 30 illustrated, self-checking question cards; laminated game board and materials for 4 players. Packaged in a durable zippered, vinyl pouch, the Learning Center is a ready-to-use resource for the classroom, after school programs or home practice, review and test prep!

Single-Student Manipulative Kits

Learning in the classroom or at home just got a little easier! Our new math manipulative set includes manipulative kits that are perfect for individual student practice. Included is a guide with information and getting started activities for each manipulative.

Item #	Grade Level	Quantity	List Price
9-2097323-709	Grades K-2	Set of 4	\$198.69
9-2097326-709	Grades K-2	Set of 12	\$510.69
9-2097312-709	Grades 3-5	Set of 4	\$198.69
9-2097306-709	Grades 3-5	Set of 12	\$510.69

Master early skills with three-in-one learning fun! These comprehensive activity sets focus on two key areas of study. Each kit contains a central component, such as a clock and play money, along with additional supplemental learning materials. Each set spans from beginning learners to more advanced.

Item #	Description	List Price
9-1572841-709	Money Activity Set	\$32.19
9-1572842-709	Time Activity Set	\$32.19
9-2041413-709	Small Group Activity Set	\$43.19

Linking Cubes and Shape Links Set

Set includes 500 shape links in 3 shapes and 4 colors, along with 200 linking building block cubes, all neatly packaged in a plastic storage tote. Set is designed for ages 3 and up.

Item #	Description	List Price
9-2102820-709	Shape Links	\$95.99

Foam Geometric Solids

Geometric Solids are perfect for building and developing color and shape recognition. 36 piece set includes dense, durable foam in 13 shapes and 4 colors. **▲**CHOKING HAZARD (1). Not for under 3yrs.

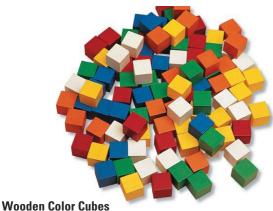

Item#	Description	List Price
9-072248-709	Foam Solids	\$60.29

Math Manipulatives Activity Kit

The magnetic tangram pieces are a great, hands-on resource for teaching mathematical reasoning and problem-solving skills. Because these math manipulatives are magnetic, your student's elaborate patterns and puzzles will stay together! Includes: 2 magnetic kidboards, 108 magnetic pattern blocks, 42 magnetic tangram pieces, and 24 reproducible activities. Ages 3+. ▲CHOKING HAZARD (1). Not for under 3yrs.

Item#	Description	Quantity	List Price
9-2089885-709	Math Manipulatives	Kit	\$68.99

Wooden cubes build up one's skill of comparing quantities in a set, patterning, sorting, classification, counting and 3-D spatial reasoning. 1" wooden cubes are made with durable hardwood. ▲ CHOKING HAZARD (1). Not for under 3yrs.

Item #	Description	Quantity	List Price
9-282895-709	Wooden Cubes	Set of 102	\$38.69

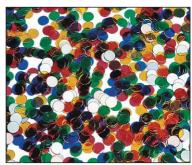

Stacking Counters

These counters have a unique stacking feature! Stacking Counters are great for teaching counting, sorting, color recognition, basic operations, and beginning fractions. Set of 500. ACHOKING HAZARD (1). Not for under 3yrs.

9-282943-709	Shape Links	Set of 500	\$41.59

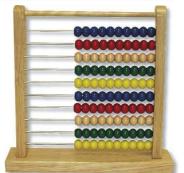

Honey Bee Number Resources

Create a buzz both inside and outdoors with these adorable honey bee stones and durable plastic activity cards. Together, they provide an exciting way to teach early number skills including number sequences, odd and even numbers, addition, subtraction, and number bonds to 10.

Item #	Description	Quantity	List Price
9-2040709-709	Honey Bee Stones	Set of 20	\$58.99
9-2040721-709	Honey Bee Cards	Set of 16	\$48.99

Wooden Abacus

Brightly-colored wooden abacus for counting, patterns, colors and more. 100 beads. Measures 12" x 12" x 3".

Item #	Description	List Price
9-285754-709	Wood Abacus 100 Bead	\$39.99

Dinosaur Bones Match and Measure Activity Set

Dinosaur bones can be used to introduce the concepts of sorting, measuring, doubling, and halving. Measures between 2-1/2 to 8 inches. Activity cards are sold separately to help with matching, counting, comparing, ordering, and measuring the bones they find. Set includes 16 cards. Ages 3 and up.

Item #	Description	Quantity	List Price
9-2024465-709	Dinosaur Activity Cards	Each	\$48.99
9-2024466-709	Dinosaur Measure Bones	Each	\$58.99

Ladybug Counting Stones & Activity Cards

Ladybug Counting Stones is an engaging way to explore counting to 20, subitizing, odd and even numbers, and addition and subtraction. Each set of spotty ladybugs includes two each of digits 0 to 10 (22 Ladybugs) and an activity leaflet of related ideas and games. Ages 2 and up. Lady Bug activity cards are an ideal way to explore early math skills using the Ladybug Stones. Ages 3 and up.

Item #	Description	Quantity	List Price
9-2024470-709	Ladybug Stones	Each	\$58.99
9-2024471-709	Ladybug Activity Cards	Each	\$48.99

Sum Building

These durable and tactile pebbles can be used in sand and water both inside and outdoors. Each pebble is cast from a special stone and handpainted with a number.

Item #	Description	Quantity	List Price
9-2024474-709	Sum Building	Set of 50	\$86.99
9-2024472-709	Bonds to Ten	Set of 22	\$52.99

Tactile Counting Stones

Robust and tactile, this appealing set of counting stones displays number arrays from 1 to 10. Made from a unique stone mix, they are durable for use in sand, water, and outside. Use them to introduce and support math concepts including

counting, number recognition, subitizing, and number bonds. Contains 20 stones (two sets of 1-10) measuring approx. 3 inches in length. Age 3+.

Rekenrek Pop-Up Instant Learning Center

These ready-to-go learning centers come with everything you need all in one box. There are 10 activities in each box and the activity cards are double sided. Can be played at home or classroom centers. Box measures $10^{-1}/2^{"} \times 8" \times 2^{-3}/4"$ and has a convenient magnetic closure.

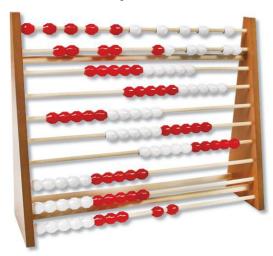

Item #	Description	Grade Level	Quantity	List Price
9-2098318-709	Rekenrek Learning Center	Grades K-2	Fach	\$66.69

10 Bead Rekenrek

Wooden frame with two rows of 10 beads, each row comprises 5 red and 5 white beads. $7 \times 7 \times 25$ cm.

Item #	Description	Quantity	List Price
9-1498154-709	Rekenrek Wooden Counting Frame	Each	\$17.69

Teachers Demo

Large counting frame features 100 plastic beads in red and white on 10 bars (color change after each 5 beads). The upper 5 bars have 5 red beads on the left and the lowest 5 bars have white beads on the left. This reinforces that 100 is composed of two sets of 50. Useful to demonstrate addition and subtraction up to 100.

Item #	Description	List Price
9-1571841-709	Teacher Demo - 10 Bar w/ Color	\$66.69

Working With The Rekenrek

These 48 engaging activities help children master early skills such as counting, subitizing, the decomposition of numbers, and more. Each lesson includes step-by-step instructions, suggested assessment questions, and reproducible blackline masters. 180 pages.

Item #	Description	Quantity	List Price
9-1567154-709	Working With The Rekenrek Book	Each	\$28.99

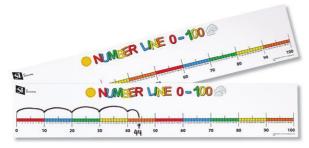

FunPlay Number Rods

Number Rods help children visualize counting to ten. Each length is a different color and scored in 1 cm, which helps with value identification and comparison. Children can also build their own designs which fosters imagination and creativity. As children learn with the rods, they will improve fine motor skills, hand-eye coordination and logical thinking.

-2019799-709	Place Value Board w/ Counters	Each	\$22.29

Place Value Jumbo Magnetic Demonstation Discs

Now teachers get to demonstrate these lessons on the magnetic white board for a whole class experience. One side is easy-grip foam and the other side is a smooth magnetic surface that adheres to the boar, but also allows easy sliding around the board for regrouping activity. Discs are 2 inch in diameter and made of EVA foam with magnetic backing.

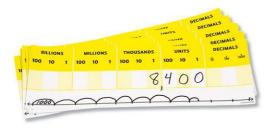

Item#	Description	Quantity	List Price

Desktop Place Value Cards

Engage children in practicing place value notation from decimals to billions with this set of write-and-wipe cards, for use with dry-erase markers. Use for any place value activity or with any Active Place Value Set. Includes teaching notes. Cards measure 15" x 5". Grades 1-5.

Item #	Description	Quantity	List Price
9-1502096-709	Desktop Place Value Cards	Pack of 10	\$26.69

Power Pen™

Engage students in active learning with Power Pen! With the easy-to-use Power Pen and Power Pen Learning Cards you simply select an answer and receive immediate feedback with an audio and visual response. The Power Pen sends positive responses to correct answers and encouraging redirection for wrong answers, keeping students motivated and on track. Requires 2 AAA batteries, not included.

ltem#	Description	List Price
9-1567986-709	Power Pen	\$25.69

Power Pen™ Math Learning Cards

Practice and reinforce important math skills. Each box Includes 53 (5-1/2 x 3-1/2") double-sided practice cards as well as instructions and answer key cards! Power Pen sold separately.

Item#	Description	Grade Level	List Price
9-1568003-709	Addition	Grades K-2	\$18.69

9-2095025-709	Same But Different	Grades 3-5	Each	\$15.59

Go Figure! Games

In this fast-paced, challenging game, children practice their fluency facts as they take turns building equations. The first player begins by creating an equation with the cards from their hand. Play continues as other players create new equations with their cards. Appropriate for grades 1-5 or ages 6+ years old.

Item#	Description	Grade Level	List Price
9-2089143-709	Basic	Grades 1-5	\$13.99
9-2089142-709	Advanced	Grades 3-8	\$19.99

Hot Dots® Jr.

Hot Dots Jr. card sets can be used alone as traditional flash cards or when used with Ace or Kat talking pens for fun lights and encouraging sounds that guide children through cute, colorful lessons. The Ace and Kat Talking Pens each measure 6" and require 2 AAA batteries, not included. The Cards Sets each include 36 double-sided cards with 72 early learning activities. Talking pens are not included with cards sets. Grades PreK-K+.

Item #	Description	Quantity	List Price
9-1355220-709	Numbers & Counting Cards	Each	\$35.29
9-1355224-709	Ace the Talking Dog Pen	Each	\$35.29

Minute Math Electronic Flash Card

Encourages practice of operations (add/subtract or multiply/divide) and early algebraic skills related to equations and the commutative property. Offers a 60 second timed mode, a low pressure untimed mode, and 3 levels of difficulty. Measures 5.5 inches. For use individually or with a small group of 2-5 students answering together. Requires 3 AAA batteries, not included. Grades 1-3.

Item #	Description	List Price
9-1363023-709	Minute Math Electronic	\$55.59

Number Cards 0-9

This deck of Number Cards 0-9 can help students demonstrate least to greatest, comparing numbers, numbers closest to ten, expanded notation, addition, subtraction and more!

Item#	Description	Grade Level	Quantity	List Price
9-2044655-709	Number Cards 0-9	Early Childhood-Elementary	Set of 50	\$14.99

Splat! Games

As the caller reads each addition/subtraction/ multiplication answer aloud, players scan the cards in front of them. If a player has a matching problem, he or she says SPLAT! and flips the card over. The first player to flip over all of his or her cards wins! Three color-coded decks make it easy to adapt the game for one-on-one practice or multiple players. For 2-6 players. Set of 225, 3-1/2" x 2-1/4" cards. Grade 3+.

Item#	Description	List Price
9-2004459-709	Splat Addition	\$23.99
9-2004458-709	Splat Subtraction	\$23.99
9-2090552-709	Splat Multiplication	\$23.99

Learning Wrap-Ups

Improve math fact memorization with these math wrap-ups. Each classroom kit includes 30 sets of Wrap-Up boards, a corresponding Wrap-up Rap audio, a teaching manual, and a Skip Counting video with audio cassette tape, all in a sturdy storage case.

▲CHOKING HAZARD (1). Not for under 3yrs.

Item#	Description	List Price
9-218000-709	Wrap-Ups Addition	\$22.69
9-218003-709	Wrap-Ups Subtraction	\$22.69
9-218006-709	Wrap-Ups Multiplication	\$22.69
9-218009-709	Wrap-Ups Division	\$22.69
9-1571073-709	Wrap-Ups Fractions	\$22.69

Math Skills Dominoes

Children will love the feel of real dominoes as they complete the numeracy matching game. Each set contains 28 dominoes and come in a collectors tin for storage.

▲CHOKING HAZARD (1). Not for under 3yrs.

Item#	Description	List Price
9-2040932-709	Addition	\$14.59
9-2040931-709	Subtraction	\$14.59

9-2040911-709	Fraction	\$14.59

Connecting Mini Fraction Tiles

Easily link the fraction tiles together to show equivalent fractions. Each tile is printed with a different fraction. The longest tile is 6 inches (15.3cm) long. ▲ CHOKING HAZARD (1). Not for under 3vrs.

Item#	Description	Quantity	List Price
9-2048052-709	Fraction Tiles	Set of 51	\$6.69

Rainbow Fraction Tiles

Visualize fractional concepts with this set of 51 proportional plastic pieces. Color-coding helps students apply their understanding of concepts to new contexts. Students will begin to make mathematical connections when they see that red always equals 1, yellow equals 1/4 and so on.

ltem #	Description	List Price
9-222144-709	Fraction Tiles	\$35.19

10%

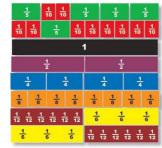

Fraction Equivalency Cards

These cards help students learn to link fractions, decimals, percentages and associate them with fraction circles, fraction rectangles, and number lines. Includes 7 color coded sets of 15 cards.

Item #	Description	Grade Level	Quantity	List Price
9-2048054-709	Fraction Cards	Grades 3-8	Pack of 105	\$18.39

Rainbow Fraction Tiles

Each fraction tile set includes pieces in 1, 1/2, 1/3, 1/4, 1/5, 1/6, 1/8, 1/10, and 1/12 color-coded fractions. Tiles are available in Plastic (with or without a plastic tray), Magnetic Foam and Magnet Tiles. Each set includes 51 pieces. ACHOKING HAZARD (1). Not for under 3yrs.

Item#	Description	Quantity	List Price
9-086541-709	Plastic Fraction Tiles	Set of 51	\$15.99
9-084958-709	Plastic Fraction Tiles w/ Tray	Set of 51	\$25.99
9-084961-709	Magnet Fractions Tiles	Set of 51	\$27.99

Magnetic Equivalent Fractions

Use these 3 x 3 inch magnets as labels on a number line, for games, and for showing relationships between fractions. 56 pieces include fraction, decimal, percent, and pictorial depictions of fractions ranging from 1/12 to 2 as well as five operation symbols.

Item #	Description	Quantity	List Price
9-2051227-709	Magnetic Equivalent Fractions	Set of 56	\$31.29

Fraction Circles Double-Sided Magnetic

Demonstrate fractions, percentages, and equivalencies on your whiteboard. Labeled with fractions on one side and percentages on the reverse. Includes 9 circles (1 whole, 1/2, 1/3, 1/4, 1/5, 1/6, 1/8, 1/10, 1/12) and activity guide. Circles measure 71/2" in diameter. 51 pieces. Grades 1+

Item #	Description	List Price
9-1601316-709	Magnetic Fraction Circles	\$54.49

Fraction Circles

The Fraction Circles whole measures 3 1/2". Set of 51 includes one whole. halves, thirds, fifths, sixths, eights, tenths and twelfths, in color coded sets. Recommended for Elementary-Middle School.

Item #	Description	Quantity	List Price
9-210507	75-709 Fraction Circles	Set of 51	\$20.99

Rainbow™ Angle Circles

Durable, brightly colored, magnetic and plastic manipulatives help students develop a deeper understanding of measuring angles through hands-on experiences.

Item#	Description	Quantity	List Price
9-2098309-709	Angle Circles	Set of 36	\$16.29
9-2098312-709	Angle Circles Small Group Set	Set of 216	\$93.29

9-076757-709	Fraction Cubes	Elementary	Set of 51	\$36.29

Magnetic Fraction Number Line Set

This set will help children to develop a deep understanding of fractions as numbers and explore equivalence, ordering, and operations with fractions. Set includes three magnetic number lines, 60 color-coded magnet pieces, 9 label magnets, and two arrow magnets. Grades 3-5.

Item #	Description	Quantity	List Price
9-1502086-709	Magnetic Fraction Line	Each	\$36.29
9-1567163-709	Fraction Tile Number Line	Each	\$79.29

Food Fraction Fun™

Game play helps students learn to identify fractions, match fraction equivalents, and add and subtract fractions. For 2-6 players. Grades 1-6.

Item #	Description	Quantity	List Price
9-077-9604-709	Pizza Fraction Fun	Each	\$38.29
9-2098356-709	Magnetic Fruit Fractions	Each	\$48.29

Cuisenaire® Rod Small Group Set

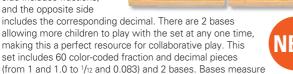

An economical way to bring Cuisenaire Rods into the classroom, each package contains 155 plastic rods and Activity Guide in a storage bucket. Plastic Rods Set includes rods in different colors that represent the different lengths. The Connecting Rods Set includes rods in 1 cm cubes that can be connected and broken apart to form rods

of any length. Grades PreK - 8. ▲CHOKING HAZARD (1). Not for under 3yrs

ltem #	Description	List Price
9-089800-709	Plastic Rods Set	\$52.29
9-089810-709	Connecting Rods Set	\$51.29

Wooden Fraction & **Decimal Tower**

Children will love to learn about fractions and decimals with this stunning set. One side includes fractions, and the opposite side

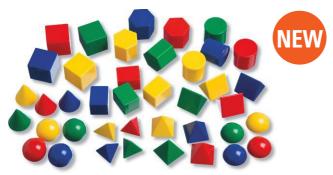

10-2/3 x 2-1/2 ii	n. Age: 3+.		
Item#	Description	Quantity	List Price
9-2099058-709	Fractioin and Decimal	Each	\$62.99

Cuisenaire Rods Sets

Cuisenaire Rods help students transition from concrete to abstract representation of math concepts. Each color represents a different Rod length that can be assigned a different numeric value or unit of measure. PreK+

Item #	Description	List Price
9-034-0770-709	Wooden Rod Set	\$29.29
9-034-0780-709	Plastic Connective Rod Set	\$29.29

Mini Geometric Solids

This set of smaller pieces is perfect for students to explore the properties of 3-D geometric shapes. The 40 piece set includes ten 1" shapes in four colors: red, blue, yellow and green. Shapes include cube, cylinder, cone, sphere, hemisphere, pyramid, square prism, hexagonal prism, triangular prism, and rectangular prism. Packaged in a plastic bag.

Item #	Description	Quantity	List Price
9-2096700-709	Mini Geometric Solids	Set of 40	\$20.99

Folding Geometric Shape Set

This 16-piece set includes eight clear plastic 3-D shapes and eight 2-D folding shapes to illustrate area, volume, surface area, symmetry and perimeter. Includes cylinder, square pyramid, cube, rectangular prism, cone, hexagonal prism, triangular pyramid and triangular prism.

Item #	Description	List Price
9-076830-709	Folding Geometric Shapes	\$72.29
9-1370872-709	View-Thru Solids	\$33.29

Volumetric Solids

Geometrical solids are a great tool for exploring shapes, sizes, and relationships between area and volume. Transparent construction with removable base and stopper for easy filling with dry or wet material. Includes 17-piece set with activity book. Relationship Solids are more opaque with 15 pieces. This can be used along with the Volumetric Solids Set to aid in the instruction of relationship, volume, shape and area. 48 pages. Grades 4 and Up.

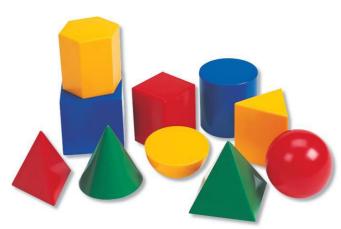

Item #	Description	List Price
9-1571869-709	Geometric Models Set	\$22.69
9-1571867-709	Relationship Solids Set	\$22.69
9-1571868-709	Relationship Solids - Teacher	\$22.69

Wooden Geometric Solids

Learning Resources Wooden Geometric Solids are smooth, solid wooden 3-D shapes that measure 2 to 3. Includes: cone, sphere, cube, cylinders, pyramid, prisms, hemisphere, rectangular solids, and activity guide.

Item#	Description	List Price
9-222570-709	Wooden Geometric Solids	\$43.99

Large Geometric Shapes

Feel and count the sides! Turn them in every direction to explore spatial relationships and perspective. Use them to help illustrate relationships between area, volume, form and size. This set of ten 3 in plastic shapes includes: cone, sphere, hemisphere, cube, cylinder, rectangular prism, hexagonal prism, triangular prism, square pyramid, and triangular pyramid. Includes teaching notes. Grades K+

Item #	Description	List Price
9-076831-709	Large Plastic Geosolids	\$81.29

Connecting Bar Set

Explore plane geometry on the desktop with connecting bars that are able to snap together at any angle end-to-end. Includes 12 each of 6 different lengths that are color-coded and range from 5 - 14.14centimeters. Investigate angles in polygons with 2 included protractors that also connect to the connecting bars. Grades K+.

Item #	Description	Quantity	List Price
9-2019796-709	Connecting Bar Set w/Cards	Each	\$30.69

Geometry Resource Kit

Give your middle school students lots of hands-on resources as they explore geometry concepts. Our kit includes manipulatives, games, activity cards, and resource books to give you lots of teaching ideas. Kit components include Volume Measurement Dominoes, Angle Measurement Dominoes, Geostrips, Geoboards (20), Working with the Geoboard, Omnifix Cubes (300), 3D Problem Solving with Omnifix, Pentominoes (72), Working with Pentominoes, Geometry Collaborative Cards, and Write-On/Wipe-Off Isometric Drawing Mats (10). For grades 5-8.

Item #	Description	Quantity	List Price
9-1601950-709	Geometry Resource Kit	Each	\$756.69

Primary Shapes Template Set

Relational shapes help students make mental connections as they compare shapes. Includes 5 durable labeled templates: circle, triangle, rectangle, square, and hexagon. Rectangle measures 4-1/2" x 7-1/2". Grades K to 6.

tem#	Description	Quantity	List Price
9-1401354-709	Primary Shapes	Set of 5	\$22.99

Geoboards

Learning the Cartesian plane has never been so much fun! These hands-on plastic pin boards are great for early learners to begin developing basic Algebra and Geometry knowledge as they manipulate different coordinates using

rubber bands. Each set includes rubber bands in assorted colors.

▲CHOKING HAZARD (1). Not for under 3yrs.

Item #	Description	Quantity	List Price
9-072249-709	GeoBoards - 11 x 11 Pins	Set of 6	\$54.99
9-1006452-709	GeoBoards - 5 x 5 Pins	Set of 10	\$59.99

Anglegs

Learning Resources Anglegs help students classify shapes and angles! Ideal for hands-on activities that teach perimeter, area, and much more. Measure shapes by attaching them to the 2 included transparent protractors. Snap-together plastic pieces in 6 different lengths feature color-coding. Great for individual, center, or small-group use. Includes 15 double-sided activity cards. Pieces measure 2-1/24" x 5-3/4". Ages 5+. Set of 74.

Item#	Description	List Price
9-087724-709	Regular Student Set	\$44.79

Double-Sided Geoboards A plastic Geoboard on one side and a Circle Geoboard on the other. The Circle Geoboard has pins every 15 degrees, with a center pin and corner pins. 6" x 6". Rubber bands included. ACHOKING HAZARD (1). Not for under 3yrs. Set of 5. Description List Price 9-091462-709 GeoBoards - 5 x 5 Pins \$25.99 9-091461-709 GeoBoard - 5 x 5 Pins \$11.99

Connecting Number Rods Cards

Cards are designed to be used with connecting number rods using numbers 1 to 20 in the question. There are 10 addition and 10 subtraction color-coded cards. Each card has a question on the front and the answer

with images of the connecting number rods on the reverse. Any card can be completed using the connecting number rods 64 or 128 piece set. Set of 20 cards measures 5-7/s"x 8-1/s"Grades PreK+.

Item #	Description	Quantity	List Price
9-2005634-709	Connecting Number Rods - Cards	Each	\$28.99

Geoboards Set

Hands-on exploration of geometric concepts including shapes, symmetry, congruency, area, perimeter, coordinates, and spatial relationships. The sturdy plastic geoboards in assorted colors feature a 5" x 5" pin array on one side and a 12-pin circle on the reverse. Set of 6. Ages 5+.

Telling Time Basics Center Kit

Each Telling Time
Basics Center comes
with 3 Number
Line Clocks, 3 Time Work Mats,
30 analog clock cards, 20 mixed
timecards, 10 picture cards and
1 activity guide (Includes 16 games
and activities). Our Telling Time
Basics Center comes with our
signature Number Line Clock that
helps young learners to connect
concepts physically and mentally
between a number line and time.

Item#	Description	Grade Level	Quantity	List Price
9-2098306-709	Telling Time Basics Center Kit	Grades K-5	Each	\$66.69

Judy® Clocks

Judy Clocks make learning to tell the time simple and fun for children. The original clock comes with visible functioning gears that maintain correct hour hand and minute hand relationships. The mini clocks do not have the gears. The original clocks are permanently assembled with wood and a

plastic stand. Mini Judy Clocks only have a cardboard face and are sold as 12 per pack. Grades K-3.

Item#	Description	Quantity	List Price
9-078418-709	Color Coded Judy Clock	Each	\$63.29
9-030-5194-709	Large Judy Demo Clock	Each	\$57.29
9-030-5227-709	Mini Judy Clocks	Set of 12	\$48.29

Big Time Student Learning Clocks

Learning Resources has you engage small groups or individual students in time-telling activities with these 4" geared clocks. Color-coded hour and minute functions supports student understanding. Set of 6.5 inch Demo Clock includes Activity Guide. Grades K+.

Item #	Description	Quantity	List Price
9-080565-709	Big Time Mini Clock Set	Set of 6	\$30.69

Learning Intervals of Time Center Kit

Our Telling Time Basics
Center comes with our
Advanced Number Line
Clock that helps young
learners to connect
concepts physically
and mentally between a
number line and time.
Kids get to learn to tell
time easily by learning how
to view time on a number
line before putting the line
on the clock.

Pattern Activity Set

Use this STEAM activity to create colorful designs with number sequences. The board is numbered 1-100, which fosters number recognition. The large board provides plenty of room for individual or group learning. For ages 5+. Size of baseboard: 7.9" square.

tem #	Description	Quantity	List Price
9-2096701-709	Pattern Activity Set	Each	\$55.99

Middle-School **Resource Kit**

Middle-school students will benefit from the hands-on resources included in this kit! Reinforce key concepts such as algebraic thinking, understanding of integers, Pythagorean theorem and more! Appropriate for grades 5-8 or ages 10+ years.

Item #	Description	Quantity	List Price
9-2089133-709	Middle School	Each	\$449.69

Integer Resource Kit

Give middle-school students hands-on resources to help them master integer concepts. Includes resource book, Working with Two-Color Counters. Appropriate for grades 5-8 or ages 10+ years.

Item #	Description	Quantity	List Price
9-2089134-709	Integer	Each	\$235.69

Engineering and Design Building Set

These unique engineering and design challenges helps sharpen critical thinking, problem solving, and STEM skills as young students create the city, tree house or skate park of their dreams. Engineer it and then engineer it again with the included activity cards that help guide the process. A CHOKING HAZARD (1). Not for under 3yrs.

Item#	Description	List Price
9-1593855-709	City Design Set	\$41.69
9-1593856-709	Tree House Design Set	\$45.99
9-1593857-709	Skate Park Design Set	\$45.99
9-1570487-709	Playground	\$41.69

This next-generation coding robot introduces coding fundamentals without the need for a screen. Bright-eyed Botley™ pairs hands-on coding challenges with advanced collision detection, looping commands, and If/Then programming logic. Program up to 80 steps, or turn on black-linefollowing mode and draw a path for Botley™ to travel. The Botley Robot Set includes 1 Robot, Coding Cards, Sticks, Cubes, Circuit Boards, and more. The Starter Set includes 1 Robot, Coding Cards, an Arm Piece, and a Remote Programmer. The Accessory Set includes a Slide, Small Dominoes, 2 Arm Pieces and more. The Classroom Set includes 2 of the Botley Set, 2 of the Starter Set and 1 Accessory Set.

Permanent Magnet Activity Kits

These magnet kits provide educators with the tools they need to implement a comprehensive magnet study program. With the easy-to-use educational guide, teachers will have all the tools necessary to present an effective and creative magnetism unit. Each set contains materials for a work group of five students and is packaged in a convenient storage box. Grades K-6. ACHOKING HAZARD (1,6). Not for under 3yrs.

Item#	Description	List Price
9-385814-709	Classroom Magnet Lab Level 1	\$131.29

Kit includes: 10 Magnet Wands; 5 pencils; 5 button magnets; 10 disc magnets; 50 magnet marbles; Demo bar magnet; 15 ring magnets; Teacher guide with activities; 200 magnetic counting chips; 100 paper clips.

9-385813-709 Classroom Magnet Lab Level 2

Kit includes: 5 Magnet Wands; 5 compasses; 15 ring magnets; 5 sets of polished steel shapes; 5 north/south bar magnets; 5 pencils; 5 ceramic block magnets; Demo bar magnet; 5 disc magnets; Teacher guide with activities; 5 ceramic horseshoe magnets.

9-385812-709 Classroom Magnet Lab Level 3

Kit includes: 5 Alnico bar magnets; 5 pieces magnetic viewing film; 5 Alnico horseshoe magnets; 5 sets of iron filings; 5 compasses; 10 ceramic block magnets; 5 corks; 15 latch magnets; 5 dowels; 10 disc magnets; Demo bar magnet; 5 lodestones; Teacher guide with activities; 5 flexible magnet discs.

Crazy Circuits Sets

Create your own electronics and interactive and programmable with one, or all, of these Crazy Circuits sets. Have students design their own projects from scratch or follow the project guide. Crazy Circuits are compatible with well known brick building systems. Kits covers topics such as circuitry, robotics, programming, logic, design, sewable technology, art, and design. ▲ CHOKING HAZARD (1). Not for under 3yrs.

Abilitations® Vinyl Weighted Lap Pad

The Weighted Lap Pad is a useful tool to help those "wiggle worms" stay in their seats. Similar in function to a weighted blanket, yet more appropriately sized for seated activities, it provides increased proprioceptive input to help the child keep calm and organized. Weighted Lap Pads may help diffuse tension, decrease restlessness, and assist with focus. Wipe down with a mild bleach solution.

Abilitations® Fleece Weighted Blankets

These weighted blankets are simply the best! Ideal for deep pressure during the day or while resting. The luxurious fleece fabric is soft to the touch yet durable enough for everyday use. Use with supervision for 20 minutes at a time or as recommended. May be warmed in dryer or cooled for an extra soothing touch. Filled with plastic pellets in a quilted pattern to provide even weight distribution and to prevent weight shifting. Machine wash in cold water. Dry on warm setting. For children 4 years and older with adult supervision.

Abilitations

Abilitations® Weighted Vests

The weighted vest is designed to allow the therapist or caregiver to tailor the distribution and amount of weight, using the eight internal pockets that line the front, back and sides. Hook and loop closures at the shoulders and sides allow for easy placement and adjustment, with the side closures around back to prevent unwanted adjustment or removal. Made from a durable and flame-retardant polyester material, the vest can be machine washed (without weights). Colors

Abilitations® **Deep Pressure Sensory Vests™**

The two-piece design of our Deep Pressure Vests can help increase body awareness, attention, and focus while reducing the likelihood of accidental removal by the wearer. Hook-and-loop closures on the shoulders and sides provide a wide range of adjustability, and the side closures can be adjusted in two sections to fit a variety of body shapes. Made from 2mm perforated neoprene. Durable and Machine washable. Measure around the chest for sizing purposes.

Abilitations® **Deep Pressure Sensory Tops™**

The Deep Pressure Sensory Tops™ are designed to provide deep, even pressure to a child's torso to improve body awareness, calm and improve attention and focus, and decrease sensory-seeking behaviors. It features shoulder, side, and front hook-and-loop closures for a wide range of adjustability. The front closure is suitable for children who wish to remove or adjust the vest themselves or for whom quick removal of the vest is more important. Made with 2mm perforated neoprene for durability and comfort. Measure around the chest for sizing purposes.

Maped® Spring Assist (Koopy) Scissors

Therapists Favorite!

A great tool for improving cognitive and fine-motor skills of special-needs children, as well as for teaching any child to cut. The scissors open automatically with activation of the spring, and the finger and thumb loops are fitted to allow multiple finger placement during cutting. Scissors "grow" with the child as the self-opening feature can be disengaged, allowing the scissors to function as a regular scissors. Measure 5 inches with a blunt tip. Assorted Colors.

9-1410189-709	Cut, Draw, Create Practice Pad	Pack of 50	\$31.09

Visual Stress Tools

Reading difficulty, words or letters "jumping" on the page, headaches, and eye strain are all symptoms of visual stress. Use the Color Overlays and have the child read aloud using the various colors. You will hear the reading difference and the child frequently can describe when the color is a match for their visual needs! Color Overlays are preferable for children with fine motor coordination issues. Some kids will prefer the Reading Rulers as they can assist with tracking. Each set contains 10 different colors. Latex free.

Mini Time Tracker

Time Tracker®

Lets Kids Know Time is Running Out!

Time Tracker® 2.0 Classroom Timer. This updated Time Tracker is even easier to program green, yellow, and red sections and six sounds to indicate the time allotted. With 180° viewing, it teaches time management. Measures 4-1/4" x 9". Required 1 LR44 batteries included and 4 AA batteries (not included).

Time Tracker® Mini. Offers visual and auditory indicators, including a warning alarm. Total alarm time can be set from 5 minutes to 2 hours, in 5-minute increments. Changes color as time counts down. Measures 3 $^{1}/_{4}$ "L x 3 $^{1}/_{4}$ "W x 4 $^{3}/_{4}$ "H. Requires 3 AAA batteries, not included.

Magnetic Time Tracker®. Adheres to any magnet-receptive surface! Set the simple-to-program alarms from 1 second to 24 hours. Features both visual and audio alarms. Features flip-out stand for tabletop use. Measures 7"L x 5"H x 1 1/2"W. Requires 4 AA batteries (not included) and 3 LR44 button-cell batteries (included).

Roll-N-Ride[™] is a durable, safe and fun addition to your sensory motor space. Children can work on bilateral coordination while pulling themselves up the ramp. Tummy sliding, great for extension patterns, is safe due to the unique level exit of the slide. The foam rollers provide a rhythmic bumpy sensation that engages and calms children. Ideal for students with attentional issues, behavioral difficulties and autistic spectrum disorders. This versatile equipment can be configured as a bridge or a teeter-totter. Quality birch construction. Simple assembly required; hardware and instructions included.

Abilitations® Scooterboard Ramp

Everyone loves our Ramp because of its smart design! Assembles without tools in less than 3 minutes! The unique T-shape on the safety edges allows a child to build upper body, grip, and core strength as they pull themselves UP the Ramp. Therapists love attaching a rope and increasing bilateral coordination as the child moves back UP the Ramp. Sensory seekers like to use cornstarch on the smooth wood and skip the scooter boards all together! Ramp is 52 1/2"L and is a 13° angle. Base is 35 3/4"L.

Abilitations® SensaRock™

Balancing Board

Kid-tested rocker that can be calming and fun! The SensaRock™ uses high-quality vinyl and is filled with colorful balls that swish around inside when in use. Inside are dozens of colorful balls for kids to track visually, and it makes a gentle, rhythmic swooshing sound as it rocks. There are also six handles on the top to help those with gravitational insecurities. And, because it's inflatable, it will store in a small space when not in use. Measures 53'L x 40'W with an inside width of 24'. Weight limit is 100 lbs. Requires a power inflator (sold separately). ▲WARNING: This product can expose you to chemicals, including Diisononyl phthalate (DINP), which is known to the State of California to cause cancer. Abilitations® Spin Board

Abilitations® Spin Board is an institutional-quality spinner designed with therapy in mind. Ideal use for a clinic, gym, school, or home for vestibular orientation and sensory integration. Can be used sitting, kneeling, or laying. Do not use while standing. Measures 21" diameter.

Item #	Description	Quantity	List Price
9-2039506-709	Spin Board	Each	\$268.99

Rock Around and Balance Boards

• Rock Around - a rounded top that provides just enough movement to encourage equilibrium responses and other balance reactions.

Children can hold on to the rim without the risk of getting their fingers jammed. It can be used in numerous positions: sitting, on all fours, side-lying, or standing. Measures 29-1/z" in diameter and 5 3/4" high.

• Balancing Board - includes an anti-skid profile and four integrated handlebars. It can be used in standing, sitting, or even prone positions, while encouraging tilting, righting and equilibrium reactions. Handlebars double as security bars for the patient or therapist. Measures 30" in diameter and 5 3/4" high.

adhesive tape, and non-slip bottom.

Bouncyband® Wiggle Feet

Fidgeting with Wiggle Feet allows excess energy to be expelled while sitting at a desk, or in any chair helping achieve greater focus. Wiggle Feet quietly enable movement while working and provide a calming influence as the dual textured surfaces; on one side flexible nubs and on the other small bumps facilitate just the right amount of tactile stimulation.

Item #	Description	Age Range	Quantity	List Price
9-2019216-709	Wiggle Feet	3+ years	Each	\$49.99

Bouncybands®

Bouncybands® help students wiggle while they work! By resting and bouncing feet while sitting, the user can release extra energy and anxiety, increase focus and be more productive. The heavy-duty bands stretch between chair legs 13"-18"W and table legs 20"-28"W to help children, teens and adults fidget without distracting others. Bands made for Middle School and High School chairs stretch between chair legs 17"-24"W. The super strong plastic support pipes are the perfect height (4"H for chairs and 8"H for tables) and keep the bands from sliding down to the floor.

Experia® USA **Interactive Bubble Tube Corner**

The Interactive Bubble Tube Corner brings a complete bubble tube package to your room or facility. This package features a 60" Bubble Tube that slowly scrolls through numerous colors until activated. A soft padded platform allows the user to sit close to the tube and feel its vibrations while the two acrylic mirrors give the effect

of multiple tubes. The equipment can also be used in a calming mode with slowly changing colors for relaxation or calming for individuals with Autism, ADHD, Sensory Processing Disorders, Anxiety, or Dementia. Adult supervision is required. Ages 3+.

Abilitations

Abilitations® FluffChairs

The FluffChairs would appear to be beanbag chairs at first glance, but just one experience will make you certain of the difference! The secret is inside the chair - made of a microfiber, velvet-lined fabric, double stitched with an easy-glide outer zipper. Each chair is filled with super-soft urethane foam (lasts much longer than

beans) and is sealed with a waterproof, anti-microbial inner liner. The FluffChair is ideal for children and adults of all abilities.

Abilitations® Sensory Floor Tiles

Visually appealing and pleasing, Abilitations® Sensory Floor Tiles are a fun and creative way to stimulate the senses. Touch or step on the tile to feel the liquid flow from one side to the other. Watch as the color swirls around and create patterns within the tile. Tiles measure 19-1/2 x 19-1/2 inches and filled with non-toxic fluid.

Copernicus Original Tech Tub® Premium

The Original Tech Tub™ has the capability to charge Chromebooks, or other tablets. It makes sharing small sets of devices easy within a classroom or throughout a school. Adjustable dividers can accommodate most cases and the side cable pocket/channel helps keep cords neat, tidy, and lined up with each device. Tech Tub includes 2 padlocks same keys, and locking block and pin to secure the tub to a flat surface. Tech Tubs are made from highly durable, heat resistant ABS plastic, and are vented to ensure airflow.

Original Tech Tub™ Premium for 6 devices:

- Internal six outlet power strip
- NEW taller lid accommodates Chromebooks (14"H x 9" W x or smaller) Original Tech Tub™ Premium for up to 10 devices
- 10 Port USB sync/charge hub
- USB hub can be mounted internally or externally to support up to 10 devices in one tub (depending on the size of your device and case)

Copernicus Tech Tub® Standard

For many classrooms, their device security system is simply locking the door at the end of the day. This new mid-range, top loading model is ideal for these environments and at a lower cost than our premium models. It has all the features of the premium models, including a padlock for securing the devices inside. The only difference is there is no locking block and pin to secure the tub to surfaces. Tech Tub Standard has the capability to charge up to 6 devices. It makes sharing small sets of devices easy within a classroom or throughout a school. Adjustable dividers can accommodate most cases and the side cable channel helps keep cords neat, tidy and lined up with each device.

Tech Tub^{2®}

Holds iPads® and Chromebooks™

Fits your devices. Suits your budget. Goes where you go.

UV Tech Tub for sanitizing devices and more—and in one minute!

Top compartment holds package of 12 medical grade testing cards to check UVC level (monthly check is recommended)

Bulbs emit proper wavelength level required to disinfect and are easy to replace by educators. Bulbs are rated for 11,000 hours of use.

360 degrees of UVC irradiance to maximize disinfection with 4 bulbs and reflective interior

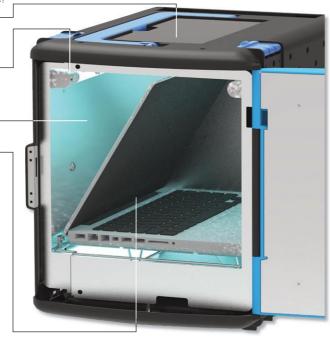

Large enough to hold open laptops to disinfect the most germy surfaces: the screen and keyboard

Enclosed disinfection chamber (no UVC exposure to user) The UV bulbs turn on only when the door is closed securely and start button is pushed

UVC filtering window (to check the bulbs are working)

Copernicus Tech Tub2® UV

The large chamber can disinfect* laptops (when open), VR headsets, headphones, robotics and other commonly used classroom items. The UV Tech Tub is here to help with the necessary disinfecting of devices required to keep classrooms as germ-free as possible.

- Fully enclosed disinfection chamber (no UVC exposure to user)
- Small footprint and can clip onto existing Tech Tub2 Trolleys and Modular Carts

*As with all HV	disinfection technology	many but not all viruses and germs	are killed in	

*As with all UV disinfection technology, many, but not all viruses and germs are killed in the process.

Copernicus Tech Tub2® Trolleys with UV Tub

In one minute, disinfect* devices, including laptop screens and keyboards! Our popular Tech Tub2 Trolleys now include options which have a UV Tech Tub to create a complete device charging, storing and disinfecting solution. The green tub stores, charges and locks up small sets of iPads®, 11* Chromebooks™ and other tablets and the blue tub disinfects them. The large UV chamber of the blue tub disinfects laptop keyboards and screens (when open), VR headsets, headphones, robotics and other commonly used classroom items.

*As with all UV disinfection technology, many, but not all viruses and germs are killed in the process.

Copernicus Tech Tub2® Modular Carts with UV Tub

In one minute, disinfect devices, including laptop screens and keyboards! Tech Tub2 Modular Carts now include options which have a UV Tech Tub to create a complete device charging, storing and disinfecting solution. To encourage physical distancing, the tubs unclip from the cart and can be placed around the classroom.

• Modular Carts have 4" locking casters

Luxor 4 in 1 AV Cart

This versatile 4 in 1 AV cart is designed to withstand the constant demands of academic or corporate use. It's great for overhead projectors, TV sets, LCD projectors, PA systems, and more! Because this cart comes with several sets of legs, you have the ability to configure the cart to 4 different heights (15-1/2", 24-1/2", 34", and 42-1/2") to suit your particular needs. Comes with 3 shelves. Each shelf of this adjustable height AV cart measures 18" x 24", and has a 1/4" high safety retaining lip and a textured surface to prevent sliding. A convenient 3-outlet, UL Approved, recessed electrical assembly with a 15' cord and cord wrap enhances the cart's versatility. Four 4" swivel casters (two with brakes) assure easy mobility, and the entire AV cart can hold up to 200 lbs. of evenly distributed weight.

Quick Action Lockdown Mortise Locks

Instantly dead bolt doors and maintain 100% code compliance with these deadbolt mortise locks. These locks function as a regular classroom lock for everyday use. When there is a need for a lockdown, pressing the red button instantly throws the deadbolt to the locked position. Type 1 locks, the outside lever does not change when the red button is pressed. Type 2 locks, pressing the red button automatically locks the exterior lever. Use on doors with 8" Mortise Openings. Requires 2 Mortise Cylinders. Add the electrified wireless remote as an additional lockdown option!

ZKTeco Metal Detectors

ZKTeco Metal Detectors create an extra layer of security for your school, office, stadium or venue. The handheld metal detector is the perfect solution for providing rapid and accurate scanning without body contact.

All walk-through units have sound and LED alarms on both sides, which clearly indicate where metal is detected by zone. Each zone can be adjusted for sensitivity based on security needs. All units are easy to assemble and automatically counts people and alarms. These units are created for secure operation and are designed to run self-diagnostics and re-calibrations with each power-on; only authorized personnel can access the control panel.

- Portable Walk-Through: the security industry's only foldable walk-through metal detector which includes built-in rollers and a 40-hour rechargeable battery
- 18 Zone: sensitivity for each zone is adjustable from 0-255, 5.7" LCD screen and infrared remote control.
- 33 Zone: sensitivity for each zone is adjustable from 0-300, 5.7" LCD screen, infrared remote, wheel accessory set compatible.

C-Line® Time's Up!® **Self-Expiring Visitor Badges & Registry Log**

These easy to use self-expiring badges are ideal for visitor control. Badges have a highly visible (from up to 50 ft. away) color indicator signifying that it has expired with a bright red "VOID" notice. The Registry Log contains 150, 24-hour self expiring visitor badges and provides a written record of guests visit. Guests' names are entered in the registry book to produce a one day badge and a carbonless copy of each badge is kept in the registry for reference. Do not apply badges to vinyl, leather, suede, corduroy, or silk.

Avery Name Badge Kits - Laser/Inkjet

The Avery Name Badge Kit includes the components needed to create customized badges that will not leave holes in your clothes. Magnets hold the name badge in place so it can be worn with any style of clothing without damaging material or flipping over. Pocket style design is easy to load. Durable PVC plastic is reusable and displays names clearly. White, microperforated inserts separate cleanly leaving smooth edges. Badge inserts are easy to customize with free online templates and designs using Avery Design & Print. Letter-size sheets are compatible with laser and inkjet printers. Each sheet includes six inserts.

C-Line Self-Laminating Magnetic Style Badge Kits

Badge holder offers a subtle way to identify people and define their job positions or affiliated companies. Simply position the customized ID badge inside the protector, peel back the protective liner, and seal. This provides a permanent seal around the insert to secure the badge in place. The 2-piece magnet secures the name badge to clothing without pins or clips, avoiding any damage to clothing. Holder opens on three sides prior to being sealed. Kit comes complete with inkjet and laser inserts, which have built-in templates in Microsoft Word and Corel WordPerfect.

C-Line Time's Up! Self-Expiring **Visitor Badges with Registry Log**

Self-expiring visitor badges include a special registry log that creates a carbon copy of each badge as visitors fill out their badges. The carbon copies in the registry book provide a written record of one-day badges to easily manage traffic in your school. After 24 hours, expired badges reveal a highly visible color indicator that can be seen up to 50' away. Badges activate when the liner is removed, and the tab is folded back. Includes 1 log book and 150 self adhesive badges.

Fabrication Enterprises Evacuation Medical Lift Stair Chair with Quick Release Buckles

The Emergency Evacuation Standard 2 wheel stair chair, comes with a heavy duty orange vinyl protective cover that is durable and easy to clean. It features 3 heavy duty quick release restraint straps to secure individuals during transport or while moving the patient up or down stairs. This

stair chair features $2-5^\circ$ rear wheels that make for easy transport on most surfaces, as well as front and back handles for easier handling, the back 2 handles are used to support the chair while moving the patient, the back two handles are non-locking and used for upward lift. The front two handles on the evacuation stair chair, telescope out and lock into place to provide the best possible leverage when lifting the patient. The 3 safety straps should be used at all times while a patient is in the chair and it is recommended to always use the standard 2 wheel stair chair with 2 people for added safety. Weight capacity is 350 pounds.

Download the App

Preparing for the unexpected is simple with the Mobilize Rescue System!

Sudden cardiac arrest represents 0.5% of the major emergencies that occur each year, which

is why approximately 5 - 10 million AEDs have

been installed worldwide. But what about the other 95.5% of medical emergencies? With an estimated 30,000 preventable traumatic deaths taking place each year, you need to be ready to manage traumatic injuries. The Mobilize Rescue System is the only interactive trauma and first aid system capable of helping untrained bystanders assess, manage, and monitor a spectrum of medical emergencies according to the protocols and best practices of the American Heart Association (AHA), Tactical Emergency Casualty Care (TECC), and the American College of Surgeons.

The Mobilize Rescue System includes instructions and supplies to manage severe bleeding, cardiac arrest, seizures, choking, chest trauma, hypothermia, burns, and more (around 80 medical emergencies) - all while the ambulance is en route.

The supplies in the Mobilize Rescue System are conveniently labeled and organized to match the instructions in the Mobilize Rescue app (each item is color-coded and numbered). The straightforward organization makes locating supplies easy, saving valuable time during an emergency. Mobilize will send out monthly email reminders for you to verify that your medical supplies are up to date and the technology is properly maintained (so that you can replace products that have expired and ensure you have properly charged your unit). We will also send an email to alert you when new app features become available, or medical protocol updates have been made to reflect the most current medical best practices.

Mobile Rescue Unit Convenient & Reliable **New Trauma & Medical Emergency Technology!**

The Mobile unit is an easily transportable, interactive trauma and medical emergency response system that uses a diagnostic app to help untrained bystanders

assess, manage, and monitor severe bleeding, cardiac arrest, chest trauma, seizures, overdoses, and more - all while the EMS is on the way. ANSI Class A kit

Zoll AED 3 Defibrillator

The ZOLL AED 3® defibrillator leads the way with Real CPR Help® technology, which provides real-time feedback to guide rescuers in delivering high-quality CPR. The innovative, intuitive design and enhanced features of ZOLL AED 3 will give unexpected heroes both the confidence and the knowledge needed to treat SCA. The universal design of the CPR Uni-padz™ electrodes gives rescuers a single solution for both adult and pediatric victims of SCA. To treat a child, use the same set of pads and simply activate child mode. Enhanced Real CPR Help, featuring a full-color

display with vivid rescue images, CPR cycle timer, and a large color bar gauge that shows CPR compression depth. Optional cloud connectivity that can automatically report AED readiness. Industry-leading 5-year shelf life for pads and batteries increases readiness and reduces frequency of maintenance. Incorporates a smart battery that can report its power level status on the device's LCD screen or transmit it automatically over WiFi to your AED program management solution. Available in semi-automatic and fully automatic models. Ready Kit: gloves, barrier mask, scissors, razor, wet wipe and dry wipe

17 States Require AEDs in Schools. Is your State one of them?

Cardiac Science® Powerheart G5 AED Effective CPR Made Easy!

Powerheart G5 is the first FDA-cleared AED to combine fully automatic shock delivery, dual-language functionality, variable escalating energy, and fast shock times. Patented Rescue Ready® technology self-checks critical electrical components including medical grade battery and rescue pads. The highly visible Rescue Ready indicator assures rescuers that they are retrieving a working AED. Using the patented Rescue Ready technology and embedded circuitry, the Intellisense battery communicates performance condition, age, storage temperature, and other vital information directly to your Powerheart G5. The Intellisense CPR Feedback and Motion sensor technology provides rescuers with immediate voice prompts if their CPR compression rate and depth are not in range. 8 Year Warranty and a 4 Year operational quarantee on it's medical grade battery.

American Heart Association CPR In Schools Training Kit

Developed by the American Heart Association, the trusted leader in heart health and education, the CPR in Schools Training Kit incorporates the very latest resuscitation science from the official 2015 AHA Guidelines Update for CPR and Emergency Cardiovascular Care. The CPR in Schools Training Kit empowers students to learn the core skills of adult and child CPR and choking relief, as well as gain an awareness of automated external defibrillators (AEDs). This easy-to-use educational program is designed specifically to meet the needs of schools. The kit is portable and reusable, allowing for easy storage and convenient transportation from classroom to classroom. To learn skills, students practice on a manikin while watching skills performed correctly on the DVD. The AHA's practice-while-watching technique is research-proven to help people learn and retain lifesaving CPR skills. Includes 1 wheeled carry bag, 10 mini Anne plus inflatable manikins, 10 individual carry bags, 1 hand pump for manikin inflation, 5 practice-while-watching training DVDs, Facilitators guide & Binder and 10 AED training simulators. The CPR in Schools Training Kit contains everything needed to facilitate CPR in Schools training for 10 to 20 students at once.

School Health Quickclot Gauze

QuikClot is a chemically inert material that speeds coagulation of blood, resulting in a stable clot that stops bleeding. With QuikClot Advanced Clotting Gauze, you have the power to stop bleeding in the palm of your hand. Tested and proven through years of combat use by the U.S. Military, QuikClot can be depended on to save time when every second counts. The hemostatic gauze works on contact to stop bleeding by accelerating your body's natural clotting process, clotting blood five times faster. QuikClot Gauze is impregnated with kaolin, a

kit so you're prepared when emergencies occur.

Soapbox Hand Sanitizer

This lightly scented 70% alcohol hand sanitizer, blended with moisturizers and vitamin E, not only helps to reduce pathogenic germs on hands, but also prevents hands from drying out when using. And for every Soapbox item purchased, Soapbox donates a bar of soap to someone in need either stateside or abroad. These bars of soap are made from recycled bars from hotels that have been shaved down, sanitized and reformed to make a brand new bar. Our bar donations are often paired with proper hygiene education through hygiene ambassador programs. Access to soap can change a life, which is why we believe that SOAP HOPE!

Chemical Free Sponge

Fits comfortably in your hand to easily clean hard, nonporous surfaces. It requires only water for effective cleaning. Sponge removes scruffs, markings and smudges from sinks, tubs, mirrors, walls, base boards, floors, furniture and other surfaces. Yellow gripping in the middle prolongs use and improves performance.

Melamine cleaning surface on both sides of a durable cellulose center is perfect for removing stains, smudges and more.

Paper Food Container

Paper food container features a squat profile and wide mouth to make this container easy for operators to fill and easy for customers to eat. Single-sided polyethylene coating lets you safely hold both hot and cold foods with a maximum temperature of 205 degrees Fahrenheit. High-gloss finish ensures a smudge-free surface for your stock or custom print to stand out. Disposable container is made with a high percentage of plantbased resources to reduce the impact on valuable natural resources.

Sertun Color-Changing Indicator Towels

An excellent way to know when you are properly sanitizing any food service surface such as tables, counters, food prep surfaces. The towel has been developed to be used with a quat sanitizer solution. Once the towel has been saturated

with the proper level of quat sanitizer the towel changes colors from yellow to blue. As the user sanitizes hard surfaces and the sanitizer is depleted, the towel changes back to yellow indicating it's time to recharge in the sanitizing solution. Excellent for use in schools, hotels, country clubs, day cares and cafeterias and any place that serves food or beverages that uses a quat-based food service sanitizer.

Description 9-2025640-709 Ice Maker

Brita Faucet Water Filter System & Filter

Advanced water filtration system for great-tasting, cleaner water right from your tap. Attaches easily to your faucet without tools. Reduces chlorine taste and odor, lead, and asbestos impurities that can be found in tap water. Electronic filter indicator tells you when to replace the filter. Simply flip a switch to change from filtered to unfiltered water. Filter lasts up to 100 gallons of tap water.

Hand Towel Dispenser & Refills

Touchless manual-operated towel dispenser is designed to deliver one towel at a time, every time with an effortless pull. Design allows the user to only touch the towel they use, reducing the incidence of the spread of bacteria. This reliable dispenser is battery-free for those that prefer not to use battery-operated electronic dispensers. Battery-free also means easier maintenance. High capacity offers added cost savings vs. folded towel solutions. Hardwound towels feature a reduced core for improved efficiency. Made from sustainable, virgin Rapidly Renewable Fiber to produce a whiter, brighter, softer and greener product. Small core allows more product on each roll so it will last longer and reduce labor costs through fewer roll changes.

Classic Low Density 2-Ply Can Liners

Classic trash liners are constructed with high-technology super hexene resins. Two-ply construction eliminates weak spots and added opacity hides the contents of the bag. Flat bottom construction means 20-30% more capacity. Low Density provides maximum puncture and tear resistance and are quiet when you open them. They will stretch and form to the trash inside with ease. Individually folded liners with a unique one-at-a-time dispenser carton.

Energizer® Max® Alkaline Batteries

Dependable, long-lasting performance in a wide range of devices. With energizer's latest improvements, Energizer MAX® batteries now last up to 30% longer than previous Energizer MAX® batteries in digital cameras. They also hold their power for up to 10 years while in storage, so you have power when you need it most. Plus, the AA and AAA sizes are designed to protect devices from leakage of fully used batteries up to 2 years. So when it comes to toys, digital cameras, and other valuable devices, you can feel confident knowing you have the long-lasting power and protection you expect from Energizer. ACHOKING HAZARD (1). Not for under 3yrs.

^{*}Double sided flag. Unique design on each side.

Tough-Tex® Outdoor U.S. Flags

Made of an open weave polyester material, nothing beats the performance of a Tough-Tex flag for institutional and commercial flag displays.100.00% 2-Ply spun polyester weave is engineered to let wind pass through, reducing stress on the flag. Each star is densely filled with brilliant white embroidery yard that shines brightly with fray resistant lock stitching sewn stripes. The red and blue dyes are specifically formulated to resist the fading effects of weather. 8 x 12 ft flag features roped heading. Smaller sizes feature sturdy weather resistant brass grommets.

Nylon Outdoor U.S. Flags

New dyes and coloring processes make these flags color fast and fade resistant. Though continued exposure to the sun will lighten any flag, this red will never change to orange or blue to purple. Made of nylon bunting specially developed for flag use, these flags have superb wearing strength. Lock-stitched with nylon thread for extra strength, this flag has embroidered stars and stripes and is finished with strong fabric heading and brass grommets. Most popular for outdoor use. Pole and bracket are not included.

Featuring the NeoClass®

ribless smooth back design

Classroom Select® NeoMove® **Smooth Back Elliptical Movement Chair**

With the most innovative design, comfort, and durability, this chair is your solution to student movement. Bonded rubber shock mounts allow mobility in any direction, providing optimum controlled motion that is proven to enhance focus, concentration, and attentiveness. The sleek smooth-back design allows for easy cleaning, while the waterfall seat edge and contoured back enhance ergonomic comfort. Two convenient handle openings at the top and bottom of the shell boost airflow and provide ease of portability. The durable elliptical frame is constructed from a heavy duty ³/₄" x 1-³/₈", 14-gauge steel and is available in chrome, black powdercoat, or titanium powdercoat. Choose from a Cantilever or Four Leg frame. Available with nylon, steel, felt, or rubber glides. Assembled.

Classroom Select® Traditional Four Leg Chair

This lightweight soft plastic polypropylene chair shell promotes good circulation, relieves pressure points, and provides flexibility in the upper back while supporting the lower back. The legs are 1-1/s" 18-gauge tubular steel (16-gauge for 18-1/2" A+ and 20-1/2" A+). Available in full nickel chrome frame or black powdercoat and stack 10 high. Select from nylon, steel, felt, or rubber glides. Also available in your choice of the A Shell or the larger, more accommodating A+ Shell size. Please order a minimum of four. Optional field installed book basket available for 20-1/2" A+, 18-1/2" A+ and 17-1/2". Assembled. Quickship available in 11-1/2", 13-1/2", 15-1/2", 17-1/2", and 18-1/2" A+ seat heights, with chrome frame, nylon glides and your choice of Marine (Royal Blue), Imperial (Navy Blue) or Fhony (Black) seat colors

CLASSROOM SELECT

This distinctive polypropylene chair with a sturdy 3/4", 16-gauge tubular steel frame features a smooth back and subtle pattern that creates a contemporary look while enhancing ease of cleaning. The waterfall seat edge and contoured shape offers ergonomic support, and side-to-side flexibility, while two openings on the top and bottom of the shell boost airflow and allow easier portability. The sled base frame slides easily over any floor surface and comes in your choice of chrome or black powdercoat with felt glides. The 18" A+ and 20" A+ versions offer a wider, more accommodating seat size. Assembled.

Classroom Select® Contemporary Sled Base Chair

Well-fitting, ergonomic soft plastic chair with tubular steel frame shaped to offer upper back and lumbar support with side-to-side flexibility that adjusts to an assortment of body profiles. The contour shape provides flexibility at the upper back while supporting the lower back. The attractive sled base offers easy movement for both student and staff and is made of high-strength steel tubing. Available in your choice of the A shell or the larger, more accommodating A+ shell size. Chairs can stack five high. Assembled.

Classroom Select® Inspo® Cantilever Chair

This chair is meant to meet the needs of any classroom environment offering comfort, ease of movement, updated design, and ergonomics. Made of soft plastic polypropylene, the waterfall seat edge and contoured back bring ergonomic comfort, while opening at the top provide easy portability. Hidden hardware adds simplicity and elegance to the design. Available in a round tube frame or elliptical frame, both offering strength, durability, and stability while still looking modern and pleasing to the eye. Frame is $^3/_4$ " by $1^{-1}/_2$ " elliptical 14-gauge steel with a frame reinforcement that is an inner $^9/_1$ 6" round tube 17-gauge steel. The cantilever-style frame adds comfort for students by offering generous leg room. Available in chrome, black powdercoat, or titanium powedercoat frame options. Also available in your choice of the A shell or the larger, more accommodating A+ shell size. Assembled.

Classroom Select® Contemporary Cantilever Chair

The Classroom Select® Contemporary Cantilever chair features the ergonomically designed one-piece soft plastic polypropylene Contemporary shell on a sturdy cantilever chair. A convenient handhold in the upper back allows for easy carrying. There are four strategically placed rubber bumpers on the underside of the seat to prevent marking when the chair is placed on a desk for classroom cleaning. Choose from a chrome or black powdercoat frame. Also available in A+ shell with a wider, more accommodating seat size. Select from your choice of nylon, steel, felt, or rubber glides. Assembled.

National Public Seating® Heavy Duty Steel and Vinyl Padded Stools

The National Public Seating® Heavy Duty Steel and Vinyl Padded Stools are ideal for hands-on classrooms. With an 18-gauge steel tubing frame that is welded to a 14" diameter seat pan, these stools are sturdy and reliable. The vinyl stools include a ½" thick gray vinyl cushioning that is riveted through the steel pan. Foot rests are securely bonded to each leg with four-spot-weld-contact points. Optional backs adjust 2" up/down and forward/back.

or ward, back.

National Public Seating® Elephant Z-Stool

The Elephant Z-Stool provides the perfect solution for the most demanding lab and art environments. Features a chrome-plated, 14-gauge tubular steel frame, and a lightweight, blow-molded seat that is contoured to fit the user. Stools are conveniently stackable (six units high) or hang with ease from tabletop surfaces, allowing for simple clean-up and storage. 22" and 24" stools include footrests.

Classroom Select® NeoMove2® Chair

Our NeoMove2® chair's dynamic mobility and range of motion allow for quick transitioning from learning groups to lecture-based learning. The polypropylene seat swivels 360 degrees and offers a waterfall edge reducing pressure points and enhancing ergonomic comfort. The unique tablet arm has swivel capability to accommodate left and right-handed students with interval indexing movement to hold designated positions selected as the student moves the arm. Durable non-locking casters offer smooth movement and rotation. Generously sized 26" x 14" tablet top features a pencil holder. The titanium steel base design allows for easy open access to a generous bottom storage area and is accessorized with a water bottle holder. Available in a polypropylene over metal base. Assembled.

Classroom Select® Inspo® Stacking Study Top A+ Desk

The Classroom Select® Inspo® Stack Desk features a unique shape design that pairs nicely with the Inspo® chair series and convenient stacking. The round 1-1/4" titanium frame features a height adjustable range of 22-1/2" to 31-1/2", with 2 locking casters and 2 nylon glides that allow for easy mobility, whether stacked or individually. Available with a generously sized 26" x 16", 5/8" thick desk top, with a high pressure laminate or markerboard surface, with your choice of a beige or titanium painted edge, 5 T-Mold colors, or 5 LockEdge® colors. The standard backpack hook keeps backpacks off the floor.

Classroom Select® NeoClass® Smooth Back Sled Base Combination Desk

Some environments require stability and flexibility while still providing an ample work surface. That's where this fresh, static-free polypropylene chair shell with a generous desktop and 1-1/8", 12-gauge tubular frame comes in. The waterfall seat edge and contoured back can support the user while still flexing from side to side. Openings at the top and bottom of the shell boost airflow, further enhancing comfort and boosting focus while also making the desk easy to transport. Desktops available in 18" x 24" or 20" x 26" hard plastic or high pressure laminate; laminate tops come with your choice of colored LockEdge®, T-Mold edge, or painted edge in beige or titanium. 18" seat height, and additional A+ shell option offer a wider seat shell. Sled base frame is available in chrome or a black powder coat with optional felt glides. Assembled. Please order in carton quantities of two.

Classroom Select® Contemporary Sled Base Combination Desk

With the well-fitting ergonomic Contemporary soft plastic chair shell and a tubular steel frame, this sled base combination desk offers the strength and durability needed in today's classroom. The sled base frame slides effortlessly on carpet for easy mobility and reconfiguration, and allows entry from either side. Desktops available in either hard plastic or high pressure laminate; laminate tops come with your choice of colored LockEdge®, T-Mold edge, or painted edge in beige or titanium. Choose between an 18" x 24" or a larger 20" x 26" top, as well as an 18" chair shell, or an 18" A+ size featuring a 30% larger surface area than the standard 18". Optional field installable wire book racks are available. Assembled. Please order in carton quantities of two.

This traditional classroom desk features a laminate work surface that includes convenient storage for books, pencils, and other supplies. The book box is dye pressed and includes a pencil tray with embossing strips along the bottom and back. It is available in a black powdercoat finish and is height adjustable from 22-1/2" to 30" or 22-1/2" to 33-1/2" for the larger A+ size. Leg inserts are in full nickel chrome and uppers in a black powdercoat finish. Desktops are available in either 18" x 24" or 20" x 26" hard plastic or high pressure laminate. Laminate tops come with your choice of colored LockEdge®, T-Mold edge, or painted edge in beige or titanium. The Traditional Series A+ size and Royal Seating® 18" hard plastic chairs are compatible with the A+ size desk only. Please order in carton quantities of two.

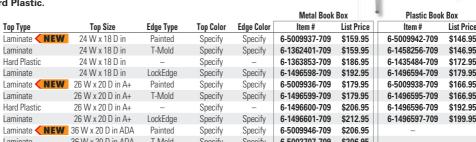

Quickship available with your choice of the following top color options: Gray Nebula, Fusion Maple, Bannister Oak or Nepal Teak for laminate. Light Gray, Beach (Beige) or Sugar Maple for Hard Plastic.

Classroom Select® Contemporary Open Front Desk

The Classroom Select® Contemporary Open Front Desk features an attractive polypropylene book box for structural reliability. Desktops available in 18" x 24" and 20" x 26" A+ hard plastic top or an 24" x 18" and 26" x 20" A+ high pressure laminate top; laminate tops come with your choice of colored LockEdge®, T-Mold edge, or painted edge in beige or titanium. The frame has 18-gauge steel black powder coated uppers with 16-gauge full nickel chrome inserts which are adjustable at 1" intervals from 22" to 31" or 22" to 33" for the larger A+ size. The inserts are securely attached with a locking system that prevents the legs from being removed and feature self-leveling glides. *The Traditional Series A+ size chairs are compatible with the 26" x 20" A+ size desk only. Please order in carton quantities of 2.

Quickship available with black book box and your choice of the following top color options: Gray Nebula, Fusion Maple, Bannister Oak or Nepal Teak for laminate. Light Gray, Beach (Beige) or Sugar Maple for **Hard Plastic**

Classroom Select® Royal Seating® 1600 Study Top Desk

Wide opening offers more leg room and accommodates oversized chairs. Frame is 1-1/6", 18-gauge steel, welded to 3/4", 18-gauge steel braces and connects directly to an 24" x 18", 26" x 20" A+, or 36 x 20" ADA compliant desktop for optimum support. Available with an optional wire book rack constructed of 4-gauge wire finished in rust resistant black finish. Tops available in either hard plastic or high pressure laminate; laminate tops come with your choice of colored LockEdge®, T-Mold edge, or painted edge in beige or titanium. Black frame, chrome-plated 1" 18-gauge tubular steel leg inserts adjust in 1" intervals from

22-1/2" to 31-1/2", or 22-1/2" to 33-1/2" for the larger A+ size and ADA compliant sizes. On desks without a book rack, add the optional Classroom Select® Technology Basket as a simple storage solution for up to 14" laptops or tablets. Nylon leveling glides reduce noise. **Please order in carton quantities of 2.**

Quickship available withwout book rack in your choice of the following top color options: Gray Nebula, Fusion Maple, Bannister Oak or Nepal Teak for laminate with T-Mold. Light Gray, Beach (Beige) or Sugar Maple for Hard Plastic.

Classroom Select® NeoMove® Collaboration Desk

The Classroom Select® NeoMove® Collaboration Desk features a unique shape design capable of adapting into a variety of collaborative groupings. With round, 1-1/4" legs that are adjustable from 22" to 30" height, and two optional locking casters for easy reconfiguration, the NeoMove® assembled desk presents the perfect solution for today's constantly evolving classroom. Available with a high pressure laminate surface and painted edge, or sprayed polyurethane colored LockEdge® for added cleanliness and durability, as well as a 5/8" thick high-impact, solid plastic that has been molded into a homogeneous unit by heat and pressure, or markerboard top. Available with your choice of a pass-through wire book rack, pass-through perforated book box, pass-through full metal book box, or 3 sided book box. Please select bookrack or book box option when ordering.

Why Five?

Research shows that five is the optimum group size for collaborative learning. NeoMove® Desks can easily be arranged into groups of five.

Classroom Select® Concord Desk

Bring students together with the Classroom Select® Concord Desk. Collaborative work environments are made simple with four different shape options. Select from the Gem or Mini-Gem shape for groupings of up to six, the Triangle shape for groups of four, or get creative with the traditional 27" x 20" Rectangle shape. Select from the study top desk with a 14-gauge steel frame or add the optional tote rails that accommodate storage trays (sold separately). Also available as an open front desk featuring an 18-gauge welded steel book box. Select from a vinyl T-Mold edge on a 1-1/s particle board core or sprayed on colored LockEdge® for added durability on a 1-1/s" MDF core. Adjustable leg height from 22" to 32" on 1" increments. Add mobility to your classroom with 3" locking casters, sold separately.

Desk shown with optional tote rails that are compatible with storage totes. See pages 1290-1293 for storage options

Classroom Select® Advocate Series® Pedestal Leg Desk

Put your students front and center with the Classroom Select® Advocate Series® Four Leg/Pedestal Leg Desk. Choose from single-student or two-student units offered in four top size options to best fit your space. 4 durable 14-gauge steel legs or 4 15-gauge steel pedestal legs attached to a 10-gauge steel mounting plate provide a sturdy work surface for maximum student engagement. 4 Legs adjust from 24" to 34" height range, on 1" increments. Vinyl T-Mold edge is available on 1-1/s" particleboard. Colored LockEdge® is a sprayed on polyurethane edge on a 1-1/s" MDF top, providing increased durability. Available with a titanium metal book box, chrome wire book rack, or sliding tote rails that are compatible with tote trays, sold separately. Purchase the Classroom Select® Technology Basket in black or titanium for a simple storage solution for up to 14" laptops or tablets, sold separately.

Classroom Select® Contemporary Elliptical Lift Lid Desk

The Classroom Select® Contemporary Elliptical Lift Lid Desk features a 24" x 18" top on a 19-gauge, 5 ¹/₂" deep metal book box with 16-gauge side panels. A direct access pencil tray allows for quick access without opening, and a no-pinch front lift lid design protects fingers from being pinched when closed. The all welded frame and legs consist of two 2" x 1-¹/₄", 13-gauge upright oval steel tubes with two 2" x 1-¹/₄", 13-gauge cross tube welded to mid section of leg assembly to provide strength and stability. Adjustable legs range from 22" to 30" in height. Desktops available in either hard plastic or high pressure laminate; laminate tops come with your choice of colored LockEdge®, T-Mold edge, or painted edge in beige or titanium. Assembled.

Optional Technology Basket

Classroom Select® Royal Seating® 1600 Pedestal Leg Desk

With the pedestal leg design, the Classroom Select® Royal Seating® Open Front Desk offers a sturdy, dependable workstation, featuring a wider opening that allows more legroom for oversized chairs. Choose between a 5/8" thick high-pressure laminate top with a black T-Mold edge, a colored LockEdge® sprayed polyurethane edge for added cleanliness and durability, or a 5/s" thick, scratch-resistant, hard plastic top. All tops come in your choice of 18" x 24" or 20" x 26" sizes. The legs are height adjustable from 23-1/2" to 33-1/2" and include an optional one-piece metal book box 20-1/2" W x 15" D x 4-1/2" H. On desks without a book box, add the optional Classroom Select® Technology Basket as a simple storage solution for up to 14" laptops or tablets. Please order desks in quantities of 2

Without Tilt-N-Nest®, With Book Box

Classroom Select® Height Adjustable Sit/Stand Desk

The Classroom Select® Height Adjustable Sit/Stand Desk is an easy to move adjustable height desk that is perfect for the 21st century learning environment. The Tilt-N-Nest® model includes a simple lever release that allows the top to be folded down, with the desk then nestable for easy storage. The collaborative design with two casters, four stabilizing glides, and desktops that group together allow students to work together in pods in any classroom set-up. The height adjusts with an easy-squeeze lever that is located just under the desktop edge. Desktop height ranges from 27" to 44-1/4". Tabletop is made of 1-1/8" particleboard core with high pressure laminate top and T-Mold edge or LockEdge®. Available to order with a unique adjustable fidget pedal which promotes natural movement and enhances student focus which can be used sitting or standing. Desks with fidget pedal do not nest. Height Adjustable Sit/Stand Desks without the Tilt-N-Nest® feature are offered with a book box for added storage.

Luxor Adjustable Height Sit/Stand Desks

As classrooms evolve to improve student health and engagement, studies prove the benefits of sit/stand desks in aiding health, attention spans and student collaboration. These three sit/stand desk options provide freedom to sit or stand in class. Each option has a backpack hook, is height adjustable and has a durable steel construction with high-pressure laminate surface to withstand excessive use.

Manual Adjusting Desk - Height adjustable between 24 1/2" and 42", hex wrench easily adjusts four legs to marked inch lines. Ample storage with open book box and shelf.

Crank Adjusting Desk - Height adjustable between 29" and 42". Crank handle neatly rests under desk or detaches for classroom management. Desktop has allotted space for pencils and a water bottle. Four casters aid student collaboration.

Pneumatic Adjusting Desk - Height adjustable between 29" and 43 1/2". Pneumatic lever allows students the ease and freedom to move between standing and sitting. Desktop has allotted space for pencils and a water bottle. Four casters aid student collaboration.

KIDSFIT™ Pedal Desks

The pedal desk is our most popular desk! The pedal motion is similar to a bicycle and kids love it! Children with pedals under their desk can work their legs while they work. Students pedal while they participate in regular classroom activities, and since the pedals are silent, they don't interfere with classroom instruction or activities. With a variety from a single to a six person desk, there are plenty of options to choose from. Designed for Elementary ONLY. Middle/High School version also available.

If surfaces are dirty, they can be cleaned using a detergent or soap and water prior to disinfection. For disinfection, most common EPA-registered household disinfectants should be effective. Follow manufacturer's instructions for all cleaning and disinfection products for concentration, application method and contact time, etc.. Additionally, diluted household bleach solutions (at least 1000ppm sodium hypochlorite) can be used if appropriate for the surface.

Above laminates available in a premium antimicrobial finish per special order request

Classroom Select® NeoShape® Activity Table with NeoClass® Legs

Activity table shapes are ideal for collaborative group activities and can be arranged in various configurations for shared connectivity. Tables with T-Mold edge are made of 1-1/8" particleboard core, and LockEdge® are made of 1-1/8" MDF core with high pressure laminate top, and phenolic resin backer. Constructed with a galvanized steel stretcher bar attached underneath for extra stability. Premium elliptical leg adjusts from 15" to 25", 22" to 30" or 30" to 43" table surface height, come standard with nylon glides. Locking caster options available.

Apollo Leg Caster Inserts (Set of 2) for 22 to 30 inch Leg Height

6-1563290-709 Apollo Leg Caster Inserts (2)

Classroom Select® Activity Table with NeoClass® Legs

These traditional shape tables are perfect for collaborative interaction, encouraging student creativity and learning. Tables with T-Mold edge are made of 1-1/s" particleboard core, and LockEdge® are made of 1-1/s" MDF core and phenolic resin backer. Select from a variety of high pressure laminate top options or markerboard top. Constructed with a galvanized steel stretcher bar attached underneath for extra stability. Premium elliptical NeoClass® leg adjusts the top height from 15" to 25", 22" to 30" or 30" to 43" and come standard with nylon glides. An optional book box, approximately 15" W x 11" D x 4-1/2" H, sold separately. Easy to install tote rail system available for your storage needs. Also available is the technology basket for a simple storage solution for up to 14" laptops or tablets, sold separately.

Classroom Select® Activity Table with Standard Legs

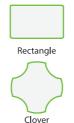

Cafeterias, libraries, and meeting rooms all require tables in different sizes, colors, shapes, and heights. Classroom Select® provides high quality activity tables to meet your needs, backed by a limited lifetime warranty because we use only the highest quality, tested, and approved components. Available in 15" to 25" and 22" to 30" adjustable-height ranges. Select from T-Mold edge, or LockEdge® for added durability. T-Mold tabletops are constructed from a 1-1/8" solid core, and LockEdge® tabletops are made from a 1-1/8" MDF core. Available in a variety of high pressure laminate tops and markerboard. An optional black metal book box, approximately 15W x 11D, 4-1/2" H, sold separately. Additional optional accessories, including clamp mount power module, tote rail storage, and a technology basket, sold seperatley.

Quickship available for indicated shapes and sizes in Bannister Oak, Gray Nebula, or Royal Blue laminate with black edge / leg uppers, in your choice of 22"-30" or 15"-24" leg height.

Optional metal book box sold separately. T-Mold Activity Tables

Classroom Select® Activity Table with Apollo® Legs

Combining contemporary looks, functionality, and flexibility creates an ideal learning environment for student collaboration and interaction. Featuring the Apollo® leg, designed with 2" round, 17-gauge steel, available in 11" to 17", 15" to 25", and 22" to 30" adjustable height ranges and a variety of colors. Table legs come standard with nylon glides. Table tops are constructed from a 1-1/s" particleboard core with a high pressure laminate surface. Tables 60" or longer have a 20-gauge steel stretcher bar underneath the top for added structural strength to prevent sagging. A quick-set leg system offers easy installation and assembly. Available with an optional black metal book box, approximately 15" W x 11" D x 4-1/z" H, sold separately. Also add the Classroom Select® Technology Basket for a simple storage solution for up to 14" laptops or tablets. Locking caster options available. Quickship available for indicated shapes and sizes in laminate colors of Bannister Oak, Gray Nebula, Fusion Maple, Nepal Teak, Royal Blue, or Markerboard with Black or Titanium T-Mold edge, or Black LockEdge® in your choice of any leg height and color.

LockEdge® polyurethane edge provides cleanliness and durability

Flower

Optional Activity Table book box sold separately.

Classroom Select® Pedestal Leg Activity Table

In today's environment collaboration and versatility is a must! Our Pedestal Leg Activity Table provides both. Work in an individual or small group setting and even combine tables to create a larger collaborative environment. With sturdy 22" to 30" adjustable height pedestal legs, made with all rectangular 16-gauge steel tubing, these tables are designed for dependability. Choose your top and choose your edge to create a table that works for your unique environment. Don't forget to add the book box! The black metal book box measures approximately 15" W x 11" D x 4- $^{1}/_{2}$ " H, and is sold separately.

- Laminate Top High pressure laminate tabletops have a 1-1/8" solid core with a phenolic resin backer, choose a top color. Available in Rectangle or Trapezoid top shapes.
- Markerboard Top High pressure markerboard laminate tabletops have a 1-1/8" solid core with a phenolic resin backer. Available in white markerboard, rectangle or trapezoid top shapes.
- T-Mold Edge Smooth durable edge, choose an edge color

Classroom Select® Vigor® Utility Table

This versatile heavy-duty utility table is perfect for project learning environments; especially in STEAM/STEM, Art, Science, and Robotic classrooms. Tables with T-Mold edge band are made of 1-1/8" particleboard core. Tables with LockEdge® feature a sprayed on polyurethane edge on a 1-1/8" MDF top, providing increased durability. Durable butcher block tops are made of 1-1/2" finished, solid wood butcher block. Sealed with a polyurethane coating, making this top a perfect addition to our most heavy-duty Vigor® Utility Table. Choose from 14-gauge 2" square legs or 2" round legs both adjustable from 29" to 42" in height. The durable unitized frame is black powder coat with a solid steel apron providing the ultimate strength and support for any project.

Classroom Select® Height Adjustable Tilt-N-Nest® Computer Table

The Classroom Select® Height Adjustable Tilt-N-Nest® Computer Table has a sleek T-leg design and offers flexibility for every classroom. Tables adjust from 29" to 37", on 1" increments, which easily accommodates a range of ages. Tilt the tops to use as an easel and add markerboard to create a presentation space for students or instruction for teachers. Tops adjust with a simple one-handed lever mechanism providing convenient transport and nesting for compact storage. Mobility is a

breeze with standard, dual-wheel, non-marring locking casters. The frame is made of strong 14-gauge steel legs that attach to 11-gauge feet, providing ultimate stability. Vinyl T-Mold edge is available on 1-1/8" particleboard. LockEdge® is a spray on polyurethane edge available on a 1-1/8" MDF top.

National Public Seating® Melody Music Chair and Stand

The Melody Chair meets the unique demands of the musical performance equipment. It has a band pitch style seat to back angle of 97 degrees allowing for maximum breathing capability. The optional tablet arm adjusts to 4 positions: writing, upright, entry, and behind. The optional Melody chair dolly stacks up to 18 chairs. Also available is this durable music stand made with strong 22-gauge aluminum and has rolled steel edges to protect instruments and preserve the stand. Whisper glides prevent noise and floor scratching. No tools necessary for assembly. It is coated with a black textured finish that resists scratches and chipping. The stand vertically adjusts from 24" to 46" (lip to floor), and the surface desk features tension tilt. The optional music stand dolly is available in either a 10 or 20 capacity model.

National Public Seating® Portable Stages and Seated Risers

Whether your venue requires single height portable stages, multiple levels, or entire stage configurations, National Public Seating offers affordable prices, quick ship and superior craftsmanship to provide you with the best value. Built with 16-gauge steel frames and premium grade plywood core, these carpeted or hardboard stages are durable and portable. Legs are made with 14-gauge tubular steel and outfitted with spring-loaded easy to open and close support brackets, for quick set-up and safe use. Portable Stages/Seated Riser configurations in ring, oval, or bow styles are put together using multiple stage sets and pie-shaped units. Each unit is available in 36" or 48" wide, with multiple height options. Accessories sold separately.

Classroom Select® Science Tables

Featuring a solid oak frame, with $2^{-1}/4^{"} \times 2^{-1}/4^{"}$ legs secured by a single bolt leg attachment, the Classroom Select® Science Tables offer a durable, lasting option for your science room setting, backed by a limited lifetime warranty. Available in multiple sizes and leg heights, as well as a dual book box option. Casters and an apron-cutout option, as well as custom sizes, are also available upon special request. Contact your School Specialty representative to discuss these optional features.

High-Pressure Laminate: Wears exceptionally well under normal use. Offers superior resistance to scratching, with limited resistance to high temperatures and severe chemicals. Edges are finished with vinyl T-Mold edge banding.

ChemGuard: A Durable, chemical resistant grade of high pressure laminate. Edges are finished with a 3 mm PVC molding, sealed with heat sensitive adhesive to create an attractive waterproof and durable edge.

Phenolic Resin: A chemical resistant composite that will not stain or etch when exposed to most chemicals or solvents. Not recommended for use with high temperatures. Exposed edges and corners are finished with a 1/8" bevel.

Epoxy Resin: Impervious to normal laboratory chemicals and heat. Its monolithic composition eliminates the possibility of swelling, lamination issues and exposure of the substrate. Exhibits no effect when subjected to most common laboratory chemicals.

Diversified Spaces[™] Fab-Lab Workbench

The Fab-Lab Workbench offers multiple top finishes including high pressure laminate (HPL), ChemGuard, maple butcher block, and phenolic or epoxy resin with colored 3mm PVC edge banding options on the HPL and ChemGuard tops. The workbench apron is constructed of 16-gauge with end gusset geometry for additional support with the top being attached with screws in two directions to ensure stability. Legs are attached with bolts in the field. An additional 14-gauge steel stretcher bar provides additional rigidity to the table frame, and can be installed on the front, middle, or back of the leg frame. The legs are constructed of 2" X 2" square steel outer tubes that were welded together with both upper and lower cross braces; 1-3/4" x 1-3/4" square steel 14-gauge steel inner tubes with riv-nuts spaced 1" on-center to provide adjustable heights from 29-1/4"H to 36-1/4"H with glides and a 1" thick top. The workbench is equipped with adjustable glides for precise leveling. Optional casters available; add 4" to the height. Optional color coordinated 12" deep shelf made from 14-gauge steel.

Classroom Select® Vigor® Utility Table

This versatile heavy-duty utility table is perfect for project learning environments; especially STEAM/STEM, Art, Science, and Robotic classrooms. Tables with T-Mold edge band are made of 1-1/8" particleboard core. Tables with LockEdge® feature a sprayed on polyurethane edge on a 1-1/8" MDF top, providing increased durability. Durable butcher block tops are made of 1-1/2" finished, solid wood butcher block. Sealed with a polyurethane coating, making this top a perfect addition to our most heavy-duty Vigor® Utility Table. Choose from 14-gauge 2" square legs or 2" round legs both adjustable from 29" to 42" in height. The durable unitized frame is black powder coat with a solid steel apron providing the ultimate strength and support for any project.

Classroom Select® Project Bumper Frame

The Classroom Select® Project Bumper Frame is a perfect addition to your makerspace activities or any projects-based learning environment. Corner connector pieces are molded from a durable ABS material and side clamps are made of strong 12-gauge steel. Side panels are constructed with 1-1/8 inch MDF core double-sided with high pressure laminate and finished off with black 3mm edge banding. Designed specifically for simple assembly with easy slide-in board guides and corner connector pieces secured with inset screws. The Project Bumper Frame easily mounts on the top of our most popular rectangle activity table sizes, including our Vigor® and Construct-IT®, and our butcher block table tops. Project Bumper Frame can also be used as a floor robotic boundary area. Available in five easy to coordinate laminate colors: Gray Nebula, Dove Gray, Black, Royal Blue, and Red with black 3mm edge band. Project Bumper Frame set includes 4 corner ABS connectors, 2 side clamps, 4 high pressure laminate sideboards, and hardware. Table sold separately.

CLASSROOM SELECT

E

Classroom Select® Makerspace Mobile Carts are flexible, functional and help students organize their projects. Cabinet tops are made of 1-1/2" finished solid wood butcher block. Interior adjustable shelves are perfect for ease of storage. Back panels are made of magnetic painted steel markerboard for quick project notes and illustrations. Both sides of all carts are constructed of steel peg board durable enough to hang supplies and tools. A pack of ten pegs for ready to use hanging storage is included for each cart. All carts include a large titanium-color polypropylene handle for ease of mobility. Two of the four casters lock providing secure positioning. Carts include locking doors, ideal for project safety. The tool storage cart has peg board sides, two pass-through shelves, bottom shelves that hold component or smaller tool storage and smooth mobility and locking casters allowing students to safely share and store tools while collaborating and learning. The 3D printer cart includes a 18-1/2" x 18-1/2" removable tray for extra work surface space. Assembled.

MooreCo® Porcelain Steel Deluxe Markerboards

- The porcelain steel markerboard surface consists of a low-gloss magnetic steel surface laminated to a 7/16" thick MDF substrate for extra strength and moisture resistance
- The surface is engineered to create greater color contrast with dry erase markers
- Marker ghosting is not a problem with the porcelain steel surface, which
 offers superior erasability
- Aluminum frame includes full-length map rail with cork insert and full-length accessory tray with Dura-Safe® rubber end caps
- Boards include L-clips, rawl plugs, and screws for installation
- Magnets are not included

Gives you the flexibility to instantly transform your work surface into a whiteboard and the freedom to write with even a permanent marker without stains. Long-term planning is easier than ever with the use of permanent markers to prevent accidental smearing and erasing. Permanent marker wipes away with water, and you can remove writing from a dry-erase marker with a cloth. With just three easy steps, this whiteboard surface is simple to use to capture your classroom's ideas, inspire creative thinking and track projects. First, unroll the whiteboard surface, peel off the backing, and then stick to your work surface. The flexible whiteboard removes cleanly with no damage to your wall or repurposed blackboard.

Post-it® Super **Sticky Dry Erase Surface**

Transform painted dry wall, glass, painted steel, finished wood or even old dry erase and chalk boards into a dry erase surface

with the Post-it® Super Sticky Dry Erase Surface. Easily turn vertical and horizontal surfaces into dry erase surfaces. Peel and stick construction sticks securely and removes cleanly. The stain-proof technology on these high-performance surfaces provides great writability as well as erasability. Satisfaction guaranteed.

MooreCo® **Porcelain Steel Self-Adhesive Whiteboard Skins**

Replace or renew any torn or worn board with magnetic dry erase Porcelain Steel Self-Adhesive Skins, designed to make markerboard resurfacing easy, with no mess or fumes. Standard gloss porcelain provides superior writability and erasability with no ghosting. Reduced surface light distortion enhances visibility to provide optimum eye comfort.

Self-adhesive skins feature a peel-and-stick backing that

applies easily to an existing board. Writable and erasable cover bar available to hide seams.

CAUTION: Self-stick adhesive is intended for resurfacing on an existing board surface and has not been tested for use on other materials. Ask your local sales representative how to order custom sizes!

LUXOR

Luxor Collaboration Station

Transform your classroom into an interactive workspace with the Luxor Collaboration Station, a double-sided mobile magnetic whiteboard with four attachable marker boards. Designed to create a productive work environment where classmates can interact and share ideas, this mobile whiteboard's surface area is easily extended by attaching four small whiteboards to connectors on the sturdy steel frame. The double-sided small boards can be used individually and when not in use, are conveniently stored in the built-in storage tray. Whether visualizing ideas on the large whiteboard, with all five boards joined together, or using individual boards for group interaction, the Collaboration Station is the perfect tool to inspire innovation and creativity.

Classroom Select® NeoSit® Coated Foam Seating

Perfect for any school lounge area, atrium, classroom, administration offices, libraries or even hallways! NeoSit® medium-density, polyurethane foam has a silicone non-stick coating, that is difficult to stain or mark. The surface is easy to clean with most cleaning products, including bleach and other anti-microbial cleaners. There are no sewing seams to trap dirt, germs, or contaminants. NeoSit® is soft and safe for younger students, yet durable and firm enough for middle and high school students. Easy for teachers to reconfigure any learning environment quickly. Available in eight exciting colors!

Classroom Select® NeoLounge® Soft Seating

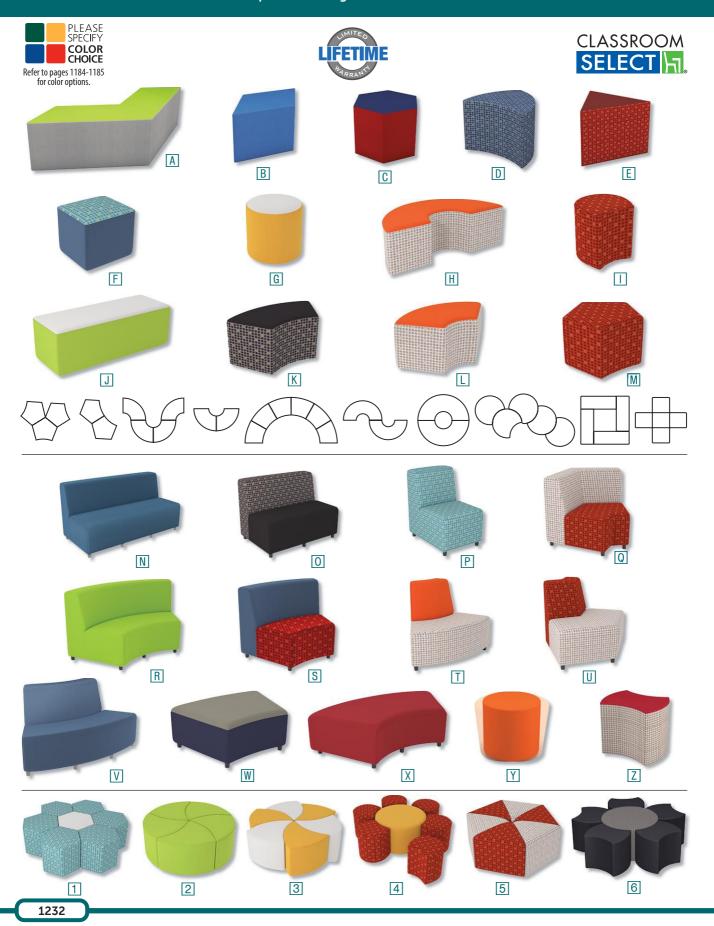

Create flexible and collaborative spaces for teachers and students with NeoLounge® soft seating modular pieces. Choose from our expanded line of fabric colors and prints to mix and match to create spaces for common areas, classrooms, offices, and media centers!

All-foam construction makes these pieces easy to move and configure where seating is needed. 1/2" MDF base board with metal inserts for glides.

Single units (A-Z) can be ordered as one fabric color or two fabric color options. Customize two color options by choosing one color for the sides and another color for the top. Quickship only available in one color options: Vinyl fabrics: Canter-Ink, Canter-Adobe, Canter-Red, and in Coated fabrics: Eon-Atlantic, Eon Spring, and Eon-Typographic.

Sets (1-6) can be ordered as one color for all pieces or two color options. Sets with a center ottoman will be considered a two color option by choosing a color for the center and another color for the pieces surrounding the center. Sets with no center can be ordered as two colors with every other piece a different color (if two colors are selected for the Twist 5 piece set, one color is for the sides of all units and another color is for the top of all units).

AIS Calibrate Series Laminate Colors

Acajou

Calibrate Series

The Calibrate® family of laminate products can fill the entire space with coordinated, high quality, beautiful solutions. All its elements have been intentionally designed with compatible dimensions to ensure proper fit while sharing key design features such as finishes and hardware within the family - and often across other AIS lines. The result is clean reveals, tight tolerances and smooth alignment ensuring a cohesive aesthetic throughout your

facility. Plan with a portion of the Calibrate® family or plan with all of it: casegoods, storage, formal and informal conference

tables, open plan desking system and reception. The choice is yours.

Affordable Interior Systems Calibrate® Series Double Pedestal Teacher Desk

comfort.

TASK CHAIR OPTION CHART

synchro-tilt

tension adjustable.

Backrest and seat tilt in unison.

Back tilts more than seat and is

1	tilt tension control Increase or decrease tilt tension depending on user's body- weight.	7		Raise or lower so your feet rest flat on the floor. This will accommodate individuals of all different heights.	13	(F)	arm height adjustment Raise or lower so your forearms rest comfortably while typing at a computer and working at your desk.
2	Center-tilt Chair tilts from a point under the center of the seat allowing you to rock. Tension adjustable.	8		waterfall seat Reduces pressure at the back of the knee allowing for good blood flow.	14		seat angle adjustment Seat angle will lock in any position from front to back.
3	knee-tilt Chair tilts from a point at the front of the seat keeping your feet on the floor as you rock. Tension adjustable.	9		forward seat tilt Allows chair to tilt forward changing the angle of your thighs in relation to the floor. Al- lows for full back support when working at a computer.	15	τ <mark>μ</mark> τ	swivel arm Arm swivels left to right
4	tilt lock Lock in positions to accommodate your posture.	10		back height adjustment Raise or lower to support the lumbar (lower back) region.	16	τ Δ τ	arm depth adjustment Arm moves forward and backward.
5	back angle adjustment Adjust to change the angle of the back in relation to the seat. Will allow for multiple angles based on individual's size.	11	=	seat depth adjustment Change the depth of the seat to accommodate the length of your thighs. Keeps your back in contact with the backrest while avoiding pressure behind your knees.	17		ratchet back height adjustment Easily raise back with upward ratchet to support the lumbar (lower back) region.

width adjustable arms

to match an individual's shoul-

der span for maximum comfort.

Adjusts arms inward or outward

Lorell Adjustable Desk Riser

Adjustable desk riser offers a healthy addition to any desk that allows you to sit or stand while you work. The large, 31 x 20 inch worksurface accommodates two monitors or a monitor and a laptop. Ergonomic keyboard tray moves up and down with the desk and moves out/in for the most comfortable position. Five height adjustments (up to over 16 inches above your desk) allow a comfortable standing position. Gas spring will allow you to easily move the desk up and down, even with your computer equipment. Riser is fully assembled for use right out of the box.

Manufacturer's lifetime warranty on all parts. **⚠WARNING:** This product can expose you to chemicals including Silica, which is known to the State of California to cause cancer and Cadmium, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

Insulation is 100% gypsum, oven-dried to reduce moisture to less than 1/2%-eliminating dampness and mildew and is reinforced by a 1" x 2" lattice made of 14 gauge, galvanized welded-steel wire.

Field-replaceable steel panels are up to 50% thicker than other makes of fireproof files.

Finish is an environmentally friendly, electrostatic powder coating up to three times thicker than conventional painted files, applies to all sides, including bottom.

Drawer bodies are built with high sides for use with hanging folders no additional frames are required.

Drawer heads are formed of welded steel and filled with fireproof gypsum insulation. Drawer LOCKS on all files provide general locking of all drawers through UL-listed high-security

Drawer PULLS are surface mounted to allow for extra insulation inside the drawer heads.

Insulation between all drawers makes each one a separate insulated container.

Two-position drawer catch allows access to certain drawers while others remain locked.

Drawer suspensions are maintenance-free and guaranteed for life.

Single Wide Open with 2 Shelves - Medium

Single Wide with Door and 6-6" Totes - Tall

Classroom Select® Geode Series® Storage - Single Wide - 15"

An engaging learning environment needs compelling teaching materials. Store your classroom needs in confidence with the Classroom Select® Geode Series®. Built like a rock with a durable 18-gauge steel frame and side panels available in 11 vibrant color options to make any room shine. Super heavy duty 4-inch zinc alloy locking casters provide smooth and reliable transportation. Select locking doors for added protection, because with the Classroom Select Geode Series®, it's about what's on the inside. All units are shipped fully assembled. Choose from short, medium and tall height in single wide versions. Accessories compatible with short and medium sizes only. Push handles are available in single solid color only. Additional features include:

- Sliding tote trays, available in options of 3", 6", or 12" tall totes that are compatible with Classroom Select® desks Concord and Advocate Series®.
- Side panels feature rows of peg board perforations for increased storage potential.
- Durable steel shelving adjustable in 1" increments to fit your storage space needs. Combine shelves and totes on select units for a more adaptable solution. Ctandard Dook

Classroom Select® Geode Series® Storage

Create your own Geode Series® Lectern or Riser with a solid Geode Series® Storage base. First, choose your cabinet base with your choice of shelf or tote options to store your teaching materials. Select your top, the riser is a perfect option for a flat elevated surface for your storage base. The lectern is a great option for a slightly angled top for a perfect presentation tool for your classroom. A markerboard back would be a great solution to expand your presentation needs. Casters offer the flexibility of movement while glides keep your unit securely in place, you choose!!

KC Bin Rivet Wedge-Lock Steel Shelving

These Rivet Wedge-Lock Steel Shelving units have a greater shelf area than standard units, making them ideal for storing large or odd-sized items. The wide range of shelf sizes and capacities, combined with the option of adding extra shelves, allows you to design the bulk shelving system that best meets your needs.

Units feature 14-gauge heavy duty angle and heavy-duty T-posts. Heavy-duty beams are used full perimeter at all levels on bulk units. Beams are punched to accept front-to-rear supports supplied with units 36" and 48" deep. Units are available with framing only and ship ready to assemble. Order one starter unit and the balance as adders to make up a row of shelving.5/8" particleboard deck sold separately.

Classroom Select® Mobile Table with Stools

The Classroom Select® mobile stool table can fit any cafeteria need. All tables have 13" diameter stools that require installation, and 30" wide tops. Features an exclusive torsion bar easy-lift system, providing for smooth and easy opening and closing every step of the way. A lift-off caster leg design to ensure table does not roll while in use; 4" rubber, non-marking locking wheels for easy mobility. Table tops are constructed of high pressure laminate that is bonded to a 3/4" core and are available in MDF with colored LockEdge® and particleboard with black T-Mold. Available heights are 27" or 29. Perfect for use as an arts and crafts table, as a learning center for educational programs, or as a cafeteria table. Please contact your School Specialty Account Manager for ADA options, additional heights (25" and 32"), table configurations, and lead time details.

Classroom Select® Mobile Table with Benches

The mobile fixed-bench table features a two-stage security lock that secures table in an open position as well as partially opened for floor maintenance. Also, an exclusive torsion bar easy-lift system, providing for smooth and easy opening and closing every step of the way. This unit features a lift-off caster leg design to ensure table does not roll while in use and a 4" rubber, non-marking locking wheels for easy mobility. Available in a 27" or 29" height. Benches and table tops are constructed of high pressure laminate that is bonded to a 3/4" core and are available in MDF with colored LockEdge®, plywood with colored LockEdge® or colored T-Mold, and particleboard with colored T-Mold. Please contact your School Specialty Account Manager for ADA options, additional heights (25" or 32"), table configurations, and lead time details.

Quickship available on 1433670 and 1433674 in MDF with LockEdge® Gray Nebula top and bench colors and 29" height.

Classroom Select® Mobile SimpleStore® Tables

The Mobile SimpleStore® is perfect for cafeterias that require a multipurpose space filled with furniture that can serve many purposes. The 14-gauge steel, 2" tube legs and double ball bearing non-marring locking 3" casters allow mobility and strength when used. High backs with a slight 12-degree pitch provide the perfect contour for comfortable seating. Rubber Grip-Right glides engage on the floor when opened. The locking casters also allow this table to stay in place. The table is a rectangular shape with a textured black powdercoat frame. Available in an assortment of laminate color options, these mobile tables are the perfect addition to any cafeteria environment. Sold in full booth unit, individual tables, and bench options. Tables with T-Mold edge are made of 1" particleboard core, and LockEdge® are made of 1" MDF core with high pressure laminate top. Benches are 3/4" thick.

Classroom Select® Convertible Bench Table

The convertible bench table is so versatile you can use it for a variety of multipurpose activities. A quick flip of the back rest converts your multipurpose room from an auditorium to a lecture hall. Table tops are constructed of high-pressure laminate that is bonded to a 3/4" core and are available in MDF with colored LockEdge®, plywood with colored LockEdge® or colored T-Mold, and particleboard with colored T-Mold. Available in 27" or 29" heights. Positioning units facing each other transforms your facility into an efficient cafeteria.

Combine Single Bench Units with Standard Built-In **Ganging Devices**

Classroom Select® Mobile Shape Tables

A well balanced strong underside construction keeps these tables flat and sturdy for years of service. Value-priced tables to "roll and unfold" for school luncheons, banquets, bake sales, scouting affairs, and other school functions. The rectangular tables feature an exclusive torsion bar easy-lift system, providing for smooth and easy opening and closing every step of the way. Table tops are constructed of high pressure laminate that is bonded to a ¾, "core and are available in MDF with colored LockEdge®, plywood with colored LockEdge® or colored T-Mold, and particleboard with colored T-Mold. A generous 1-1/s" gap between tops prevent pinching. This unit features a lift-off caster leg design to ensure table does not roll while in use; rubber, non-marking wheels are 4" in diameter for easy mobility. Please contact your School Specialty Account Manager for ADA options, table configurations, and lead time details. Standard height is 29", but it is also available in 27".

Classroom Select® EasyFold Mobile Table

The one-piece design and durable structure make this the perfect multi-purpose table for cafeterias, banquets, and most events. When opened, this is a seamless surface that automatically locks with two points of manual release to fold and can be nested for easy storage. 4" double ball bearing swivel casters allow for easy transportation and lift off the floor in an open position to prevent table from rocking or shifting. Glass-filled nylon, high-impact glides allow no leftover marks when moving. 14-gauge steel understructure and legs are available in textured powder coat black and chrome options. Each table model is designed for years of dependable use with tops constructed of high pressure laminate that is bonded to a %" core and are available in MDF with colored LockEdge®, plywood with colored LockEdge® or colored T-Mold, and particleboard with colored T-molding. Standard height is 29", with optional 27" height avilable upon request.

Classroom Select® NeoClass® Sled Base Stacking Chair and Bistro Chair

The Sled Base Stacking Chair and Bistro Chair can be used in a multitude of settings. Choose from a standard 18" seat height or 30" bistro height option. The polypropylene molded seat and back provide optimal comfort and support. A convenient hand hold offers easy movement and stacking. Chrome steel frame is durable and lightweight. Rounded polyethylene glides will protect the floor. The standard sled based stacking chair glide can be used for ganging purposes. To make transporting even easier for the 18" chair only, try the Classroom Select® chair dolly, sold separately. Glides are removable for carpet

use. Assemi	Jieu.

Action Play Systems GaGa Pits

Offering three sizes of modular kits for indoor or outdoor use. Each kit comes complete with stanchions and borders as well as a standard ADA gate for entry to create the GaGa Pit. Each wall of the pit is constructed of 4" secions of double stacked borders resulting in side panels that are 28" high. This allows for maximum ball rebound and easy pit entrance and exit. Our design keeps the pit panels raised 4" for easier pit cleaning of debris.

Action Play Systems Border and Spikes

Action Play Systems offers the highest quality playground border in the industry. APS playground borders are 4' 4" long, 4" wide and available in either 8" or 12" heights. Our 8" high playground borders are perfect for Early Childhood environments, or when using rubber mulch and when only a 6" depth of loose fill surfacing is required. The 12" high APS playground border is perfect for all other applications. Offering a 10-year limited warranty, our product is designed to take the place of wood timbers and offers a permanent, maintenance free solution.
